Please Take Notice that the annual Village Tax of Bloomfield Hills becomes due and is payable on the 1st day of July, 1930. I will be in the Village Office, Corner Woodward Avenue and Long Lake Road, every Saturday during July and August, from 9 a. m. to 4 p. m., for the collection of taxes.

Polished reflectors on the cooking table direct all the heat on the utensil. Double air-space oven insulation keeps the heat inside and assures cool cooking. This quality range is an unusual value at the price for which it sells—it is one of the fastest and most economical electric ranges on the market today.
