Christmas Gift-News

The Birmingham Eccentric

PART TWO

FIFTY-THIRD YEAR—NO. 35 | BIRMINGHAM, OAKLAND COUNTY, MICHIGAN, THURSDAY, DECEMBER 11, 1930 | $2.00 PER YEAR—SINGLE COPIES 5c

Modern Peace On Earth

People well fed and clothed, comfortably sheltered, and happily entertained and occupied with work and play,—

Communities built to live in,—fully and honestly! People that are sincere and intelligent,—human!

Shops to meet human needs, gathering material things from the ends of the earth to exchange at prices that are fair and provide a small profit above cost as "salary" to the merchants for their ingenuity, judgment, and time,—

That's modern "peace on earth"!

Food shops that stock rare fruits and candied delicacies, and vitamin-tingling vegetables,—and that keep singing canaries to convey that certain atmosphere,—as well as stores that stock minute-cats, salty crackers, navy beans, and dried prunes,—

Stores that sell every modern kitchen-aid, and home convenience,—

Merchants that gather together everything from needles and pins, elastic, and sheets, to costume jewelry and petite berets,—

Shops that stock books about fairies and about the wonders of plant-life and how-to-make-things for boys and girls, and that sell plasticine for modeling, mosaic-puzzles, electric trains, skis and skates, and badminton sets,—

Well, Birmingham has everything! It's the time of year to take stock of your blessings! Peace-on-earth,—and Christmas with its gift-giving,—mean more here than anywhere else in the world, perhaps.

Give Gifts That Delight;--- Stocks Are Gay And Bright...Shop Early!

A Million Dollars Worth of Gift Merchandise is In Birmingham Shops All Ready for Christmas-Wrapping
