

Merchants Provide for Every Child

Clothes to wear, as well as toys to play with, form the basis of most of the requests found in the Letters to Dear Santa Claus...

Birmingham merchants, in the millions dollars worth of merchandise which they gathered from all parts of the world for gift-giving at this month...

Warm sports clothing... things to wear... will delight any child. Their letters are filled with such wishes...

Merchandise is "musically priced" in tune with the times... many have amended sharp downward revisions.

Buy in Birmingham! It's a Merry Christmas this year for the children!
