Adopt Your Family For Christmas Day

More than 100 families in Birmingham will be given a merry Christmas, with baskets of food, remodeled clothing, and playthings for the children, by the Community House.

Individuals desiring to help make Christmas come true for some family, can get in touch with the Community House and be given a name and address of some suitable family to be helped. To get the facts to indicate the worthiness of each case. In order to avoid duplication of welfare efforts, this is done by most organizations and individuals in the village each year, and this year in particular.
