

GREETINGS

WHAT a marvelous thing it is to start all over again...to stand on the threshold of a new year...with the past behind us...the slate wiped clean...and ahead of us new opportunities, new hope, new enthusiasm for living! It is our earnest wish today that 1931 may usher in for each individual and for Birmingham at large, a period of prosperity, health and happiness.

In striving toward the goal of a successful and profitable year, let us determine to work together for the common good of our community. Such cooperative effort can have but one result... that when the next New Year comes around we may look back upon 1931 with the satisfaction of worth-while achievement and progress in our hearts. Above all, let us start off the year with smiles!
