MUSIC LECTURER HEARD IN LIBRARY

The character of the Detroit Symphony Orchestra and the financial difficulties it has undergone this winter were related in the Baldwin Public Library Monday morning by Miss Edith Rhett, educational director, to a large group of women organized in Birmingham for the purpose of popularizing the Friday afternoon concert.

Announcement was made at the same time of the artists secured for next year's concerts, some of whom are: Richard Crooks and Margaret Matzenauer, Ossip Gabrilowitch, Myra Hess, Harold Bauer and Olga Samoff, Joseph Hoffman, and Jascha Heifetz. Miss Rhett was accompanied here by Mrs. Bertha Eckhardt Wilkins, lecturer at the Thursday musicale.

KICKERNICKS

are the PERFECT UNDERDRESS

WOMEN'S Kickernick BLOOMERS

Close, form-fitting perfection is possible only with Kickernick construction, for in no other manner can all bulky material be removed from an undergarment and still insure full freedom of body motion. With elastic knee, white, flesh, peach, or black. Rayon—\$1.35 to \$2.00. Of good silk milanes—\$2.95. We also have bloomers with cuff knee.

Kickernicks warrant their claim to perfection by virtue of the fact that easy and free movement is assured by extra length in back—the only point where extra length serves any real purpose. Bending or sitting, the human figure is eight inches longer in back than it is when erect. It is obvious, therefore, that any garment that is to fit closely and also be comfortable must have sufficient length in back to permit unhampered movement of the body.

WOMEN'S Kickernick COMBRAZERS

A three-in-one combination of braziere, vest, and bloomer that completely eliminates all excess undergarment material. For the more slender type it is a perfect garment to wear as a foundation for the new form-fitting outer costumes—\$2.95.

WOMEN'S Kickernick STEPINETTE

A charming little step-in garment with the Kickernick construction cleverly added to prevent bunching. Of rayon in flesh only—\$1.95. We have extra sizes of this garment.

WOMEN'S Kickernick KICKERSLIPS

A most important difference between the Kickerslip and all other slips is the manner in which it closely conforms to the figure. This is most important now that close-fitting outer costumes have become the vogue. A free-hanging, over-lapping back panel permits full freedom of movement. Colors are white, flesh, black—\$1.25 to \$5.50.
