## OUR EXPERIENCE DICTATES OUR POLICY:

# WE SELL VICTOR RADIO... Exclusively!

In view of our radio merchandising experience, and in justice to our customers, our reputation, and ourselves,

## GRINNELL BROS. MUSIC HOUSE

has determined to offer you Victor Radio, exclusively.

During our years of successful business in this community, you, our customers, have come to expect only the finest merchandise, and the most complete service, from our store.

We are proud of having done our best to give you the best, and the best only.

However, during radio's first few years, the best has not been easy to discover. Radio merchants have been confused, just as the public has been, by many makes, many claims, distracting gadgets and high-sounding names. Then came

**VICTOR RADIO**

—which in much less than a year won outstanding leadership in the radio field. We knew Victor's reputation and experience. We knew the Victor trad-mark guarantees excellence. Yet—we examined, we tested, we compared Victor Radio on every basis: sensitivity, selectivity, ease of operation; appearance; quality of workmanship and material; and, finally, on the basis of TONE, the soul of musical entertainment.

**WE KNOW OF NOTHING BETTER—WE OFFER YOU ONLY THE BEST**

It is difficult for any honest merchant to sell competing radio merchandise—to "carry water on both shoulders." It is part of your Dealer's service to help you discover what he honestly believes is the best. We have been unable to find a radio instrument which, point for point, is the equal of Victor Radio. Therefore, we offer you
