News Of Baldwin H. S. And Other Schools

ORATORS MEET DETROIT TEAM

Cooley High School Will Be Baldwin's First Opponent

Baldwin shooters began to get the range of the basket and the Adams defense strove to hold the leading Baldwinites in check.

ADAMS CAGERS BEATEN, 19 TO 18

Baldwin Juniors Win Contest In Overtime, Friday

If Fred Schwarz, forward on the Adams Junior High School quintet, had scored the free shot he attempted as the final whistle sounded, the game would have ended in favor of his team.

Neither team scored in the first overtime period. The Baldwin team bagged the first shot call in the second overtime period and shortly after the Adams team came back to tie the score at 13 and O'Rourke rimmed the winning shot for the Baldwin team on a foul a few seconds before the end of the tilt.

Lineup table with columns: Name, FG, FT, PF, TP. Includes Adams players like Schwarz, Whitaker, Davis, Kline, Sabons, Boynton and Baldwin players like Correy, Denenon, Trebilcock, Aldrich, Groves, Morrow, Haynes, McBride, O'Rourke.

Referee: Barr (MSC) Empire Crane (MSNC) Time: Engel (MSNC) Scorer: Crull.

CONVENTIONS NEEDED

Practically all roads are slippery in wet weather. The perfection of a surface covering for concrete that will prevent skidding, or the invention of some form of tire tread or tire device that will prevent skidding, will make somebody a great fortune.

MORE POWER! The Dynamic New ERSKINE

IN the Dynamic New Engine, seventy eager horsepower is unleashed to the limit by a new full-power muffler, pioneered by Studebaker. Rubber-cushioned in a long, low-swinging chassis, a great Studebaker-built engine provides more power per pound than any other car uses \$100.

MUSIC and MUSICIANS of Birmingham and District

The new Junior Club membership includes Ruby Bickford, Louise Mintling, Jean Brooks, Helen McClelland, Dorothy Deweiler, Ruth Pratt, Elizabeth Cole, Helen Strand, Maude Curry, Vaden Scott, Alleen Peil, Alice Richmond, Doris Hoffman, Mary Wenzl, Marguerite Kamin, Shirley Brown, Mary Emma Green, Veneta Cook and Virginia Hueg.

There will also be a paper on the "Madness" of the color of Mrs. H. J. Stringham and a review of current musical events by Mrs. Robert Preble.

Everybody knows that a very small percentage of the real heat in coal is actually used in creating heat—for most of the heat goes out of the chimney. The person who creates a combustion chamber that will absorb all the heat generated by coal, sending it into the heating system instead of out the chimney, will become wealthy.

"Music has left us a noble legacy, a possession forever in the wonderful collection of works which have been poured out for us by these great masters."

The Thursday Musicale announces the foremost musical event of the year for Birmingham to take place the last of March. "Tzannina" the celebrated Indian prima donna, who is known throughout the United States and Europe, will present the program. She travelled for years with Charles Wakefield Cadman, interpreting his beautiful songs and furnishing the inspiration for his successful opera "The Robin Woman".

Birmingham will have the privilege of hearing the "Crucifixion" by John Stained, presented by the combined choirs of the First Baptist Church of Birmingham and the Central Methodist Church of Pontiac.

Mrs. Elmer J. Ottoway of Port Huron, in his President's message to the National Federation of Music Clubs, says: "With the dawn of 1930 we find the National Federation of 5,000 musical organizations building up a general music culture and interest, asking for better school, church and home music and helping to establish it; emphasizing high standards in music and developing a musical public in thousands of communities where otherwise the music interest would be nil."

Do you know that Michigan ranks fourth in the United States in its number of music clubs, having 2127?

Barre Hill, baritone of the Chicago Civic Opera Co. and well known to many Birmingham music lovers, will give a special recital, Thursday evening, Feb. 20 at the Metropolitan Methodist Church in Detroit.

Youths Enrolled For Summer Camp

A large number of Birmingham boys will attend Camp Charlevoix, a character camp for boys, in northern Michigan this summer.

Patents on methods of extracting cheap alcohol from petroleum have been granted to a young Oklahoma scientist.

About 30 billion stars similar to our sun, but many of them vastly larger, are known to exist, according to the Astronomical Society of the Pacific.
