Eccentric is pleased to publish stories of events new value and which are written by persons not do before non on Wedenschape. The right is wever, to make userh superficial chances in the wever, to make userh superficial chances in the required by lawe of the state. Because of a tituation in the composing coom, headlines written are reflection upon the characters, standing or reflection upon the characters, standing or

### Our New County Auditors

We herewith set forth our congratulations to Oakland County citizens for having obtained the services of Seymour D. Adams, Robert Y. Moore, and Seuart D. Patterno as members of the re-organized Board of County Auditors. These three men, the first two, Messr. Moore and Adams from Bloomfield Township, are capable public officials, well deserving of the responsibility vested in them by the people. We prophecy an era of more economical county government under their supervision. In this respect may we also compliment the three county officials who selected this true of Auditors' They are Probate Judge Dan A. McGaffey, County Prosecutor Norman C. Orr, and County Treasurer Albert W. Wilson. In their selection of Messrs, Adams, Moore, and Patterson we believe the appointing group, showed fina discretion and judgment. The electorate will watch with renewed capecture the selection of the activities of the new Board of Auditors' who shall that it is not an extended to the county of the activities of the new Board of Auditors who shall that it is not an extended to the county government.

Politics—Prosperity?

For nearly a year the present President of the United States, together with all those fellow-politicians and other agencies to which the mass of people look for all earthly blessings, has been under a swere handicap; the "readjustment" period which started in arment when the stock market tobogganed hast October will be attributed to Mr. Hoovershild Mr. Hoovers and the Republican party had very little to do with the economic trend of this country since 1922.

Fault for public condemnation of elected officials provided the provided provided by the political parties to believe that been educated by the political parties to believe that been educated by the political parties to believe that economic changes, the state of the provided provided by the political parties to believe that the provided provided by the political parties to believe that the content of the provided each the public swallows one of the control of the
