POLO GAME IS EXPECTED TO DRAW SOCIETY CROWDS NEXT SUNDAY

Interest in polo will reach a high point Sunday when the final game between the Detroit Freebooters and the Port San Houston team will be played at Harrison field, at Southfield and Nine Mile roads. A charge will be made to box holders and other spectators, the receipts to go to the camp of the Michigan League for Cripple Children, near Port Huron.

Most of the boxes have already been taken. Arrangements are being made by Mrs. Phil H. Greenman, Mrs. H. W. Nichols, and Mrs. H. Coburn. This game will be a series of contests between the Freebooters and the Army, and trophies will be presented. The season, however, will not end with that game, as the Detroit Freebooters have other teams booked for games. A thrilling game took place last Sunday when the Army was victorious over the Freebooters by a score of 13 to 12. In the eight chukkers of excellent polo from two teams, the score was tied nine times, and a lead of more than one goal was never established. The winning goal was scored by Captain Chapman of the Army in the last minute of play. The two teams will meet this afternoon at three o'clock for their last free game.
