Join With Firestone

To Bring You Greater Values at Lower Prices

PRICES are low on many good tires, but there is only one "Best", The Firestone Company, Firestone Dealers and Service Stores join in reducing distribution costs.

It was not enough for Firestone to originate and apply economies in tire building, Firestone now originates and further applies economies to distribution which reduce our cost and enable us to increase our volume at small profits. . . . We invite you to come in and see the new Firestone Line at these low prices. We not only have tires in all popular sizes, but we have the cross sections so that you may examine the inside construction of the tire, and actually see the advantages of Firestone over other makes. You will be convinced that no such values have ever been offered you before.

LEADERSHIP

Firestone brought out for automobile use—
—The first straight-side tire.
—The first rubber non-skid tread.

PERFORMANCE

Firestone Cam-Dipped Tires—
—hold all world's records on road and track for safety, mileage, speed and endurance.
—for eleven consecutive years have won the 500 mile Indianapolis endurance race.
—were on winning cars in the Chicago-Peak Race—where a slip meant death.
—were on the Studebaker car which on a board track at Atlantic City in 1928 went 30,000 miles in 26,326 minutes.

—The first commercial demountable rim.
—The first patented Cam-Dipping process.
—The first balloon tire.

—ran 71,351 miles on a Detroit taxicab, before the first tire was replaced.
—were on the G. M. C. truck carrying a two-ton load that hung up the Coast-to-Coast endurance record.
—for 10 years have been sold on a mileage cost basis to taxi-cab and bus lines in greater volume than any other tires, and now equip the world's largest taxicab fleet and the world's longest bus line.
