After some discussion, it was decided to postpone a final consideration of the budget until the next meeting, Aug. 4. Leigh Lynch, new president of the board, appointed a committee of Ray A. Palmer, Fred V. Quarton, and W. G. Hutchinson, with Louis Randall as secretary, to study the insurance question and make a report Aug. 4.

May Abolish Fee

The board considered whether a charge should or should not be made for the use of the Barnum pool. It was generally agreed that since swimming was to be a compulsory course, a charge, even for soap and towels, could not be made to the students. The advisability of making a charge to the citizens was considered.

Members of the board were deadlocked for nearly an hour on the question of repayment of the bonded indebtedness. The bonded indebtedness in full amounts to $133,000, of which it was suggested in the proposed budget, that $53,000 be repaid next year. With the rest of the budget left as presented, this would make a tax rate of $17.50 per person, a reduction of almost $1.50 from that of the past year.

Mr. Quarton was strongly convinced that a larger percentage, or about $63,000 should be repaid this year to avoid an accumulation of principal and interest in the future. Mr. Jensen, however, emphasized the necessity of keeping the tax rate low in a period of stress like the present. When the meeting was adjourned at 11:30 p. m. it seemed likely that a compromise would be reached.

More power to Mr. Averill in his efforts to publish this splendid paper, which stands for all that is fair to it's subscribers.

Mrs. Fern Thatcher.

CADDIE MASTERS AND CADDIES PLAN TO HOLD GOLF TOURNEYS

Caddie masters of the Birmingham, Bloomfield Hills and Detroit district will have a golf tournament sometime in August at the Birmingham Golf Club it was announced Monday following a meeting of the caddie chairmen and caddie masters at Franklin Hills Country Club. It was also announced that some Monday during August a tournament would be conducted for the caddies, in which the 10,000 caddies of the 45 clubs of the Detroit District Golf Association will participate.

Tournament for the caddie masters will be a 36 hole play, 18 in the forenoon and an 18 hole best ball foursome in the afternoon. Edward L. Warner, chairman of the District Association's caddie welfare committee will furnish the prizes for the caddie master's competition.

Dearborn golf course has been selected for the caddies tournament, which will be conducted under Hugh Byron, veteran Detroit Golf Club caddie master, in the absence of Mr. Warner who will be out of town. About 250 players representing the 45 clubs in the District are expected to enter the contest, and each club which assists in sponsoring the tournament and providing the prizes may enter six caddies named by the caddie master. Oakland Hills, Detroit Golf Club, and Lake Shore Club are privileged to enter two teams each composed of six players as their 36 hole layouts necessitate a larger number of caddies.
