BANKERS GOLF TOURNEY HELD

Four Tied For Low Gross; Two Tied On Kickers' Handicap

Members of the Oakland County Bankers' Federation yesterday trudged the "long greens" instead of counting them. The occasion was the regular, semi-annual meeting and golf tournament of the organization and was held at the Birmingham Golf Club.

More than 100 banking golfers representing the 32 banks in the county affiliated with the federation, hooked and sliced their golf balls over the difficult, re-arranged layout and many score sheets read like recent stock market quotations.

Four of the contestants were tied for low net score with cards of 72. They are A. S. McGreachy George Dondero, R. C. Cummings and Elmer Huston. McGreachy won the draw. Two were tied for the kickers' handicap, Both Harry White and Earl McIlvain obtained the same score and White won on the draw.

Other results were: low gross—R. J. Dawson, 83; high gross—P. G. Burnett, 157; fewest putts—George Dondero with 30; nearest the cup on the eleventh hole—M H. Hazelwand, four feet; longest drive off of first tee, H. E. Storz, 225 yards.

Federal, state and local taxes combined now reach more than nine billion dollars a year in the United States.

WE HEARD IT SAID BY—
Fred V. Quarton, treasurer Birmingham Board of Education: "My reason for wishing to pay not less than $63,000 on a portion of the bonds outstanding against the Baldwin high school, as against only $53,000, was to prevent the accumulation of a greater amount for future years. For instance, if we only pay $53,000 this year, we shall have to pay $87,000 next year, which represents a very decided increase in the annual budget. I certainly favor any plan to keep our tax rate down, but feel that it is false economy to pay as little as possible any one year, and thus create difficult payments for the future. These bonds are legitimate debts of the school district; I believe it is good business to pay as we go, and avoid huge interest accumulations."

WE HEARD IT SAID BY—
Coach Ernest Engel, director of Barnum pool: "If the people who come to the swimming pool would spend a little time each day on body hygiene at home, there would be more time for actual swimming and our pool would be cleaner. Mothers should take notice of their children's cleanliness. Time spent on inspection is taken from instruction.

FIREMEN NOW TIED FOR FIRST

The Firemen's victory over the Midgets Tuesday night tied the two teams with a standing of .750 at the close of the first half of the twilight League schedule, and the South End team's victory over the Post Office team tied them for second place with the David Fitch team, having a percentage of .500.

The Firemen broke the tie score in the eighth inning when Gaskill and George Jones scored. Jack Moore pitched and George Jones caught for the victors. Ladd pitched and Chandler caught for the Midgets.

The South End team swamped the Post Office team with the score of 15 to 0.

Stores To Begin "Bargain Fridays"

An unusual co-operative movement is seen in the announcement today of the tenants of the Briggs Birmingham Building and Briggs Publix Theater Building to the effect that every Friday, starting tomorrow, will be known as "Bargain Friday", in the 16 stores located in these two buildings. According to present plans, each store will offer a special item of merchandise at a reduced price, in many cases lower than the cost price.

Full details of this announcement are found in an advertisement on page two of this section. It is pointed out in this advertisement that practically every buying need can be supplied at one or another of the 16 stores.

WE HEARD IT SAID BY—
Mrs. Ines Hoople, of Ann street: "The reason this financial turmoil continues to exist in the country is because the people who are in control of large sums of money fear to put it into circulation.

Forty years ago L. Foster of London bought a nice coffin at a bargain, having been informed by his doctor that he had not long to live. A few days ago he spurred the medico's advice and sold the coffin at a good profit.

MASONS ENJOY PICNIC AT LAKE

A number of Birmingham Masons yesterday attended the Oakland County Masons' picnic at Lake Orion. The picnic, which was sponsored by the Pontiac Lodge No. 21, F. and A. M., was the first of its kind in Oakland County, according to B. J. McIrow, worshipful master of the Birmingham lodge.

The picnic lasted all day, with races, baseball games, novelty stunts, swimming, diving, and canoe tilting in the afternoon, and dancing in the evening.

William Kemp, 104, of Philadelphia, still reads fine print without glasses.
