New Ford Car Wins Favor

Ford Phaeton

THE Ford Phaeton, shown above, is equally popular as a family car and as a sport car for young people. The seating arrangement provides for the driver and one passenger in front and three passengers in the rear. Seats are upholstered in two-tone cross cobra grain artificial leather.

The top is of the quick collapsing type, easily handled by one person, and folds flat. The windshield is of Triplex shatter-proof glass, of the folding type and can be laid flat forward. The windshield wings fold over it, emphasizing the sport effect of the car.

Out-of-town guests were Netta Waddell, Madge Waddell, Grace Murphy, Florence Carbery, Genevieve McRae, and Mr. and Mrs. W. G. Beaumont of Detroit. Mr. Francis Brodyfogle, of the Sixteen Mile road, was also a guest.

Tak-Tak!

A Georgia statesman tells the story of an aged Negro who saw an extraordinary-looking instrument in the shop of an optician. He gazed in open-mouthed wonder, and, turning to the optician, inquired: "What it is, boss?" "That," replied the optician, "is an ophthalmometer."

"Sho," muttered the other, his eyes still fastened on the thing as he backed out. "Sho" dat's what I was afeared it was!"—Exchange.

WESTINGHOUSE COMBINES Three EXCEPTIONAL Refinements

BROOM-HIGH LEGS BUFFET TOP

TEMPERATURE-SELECTOR

IN ONE REFRIGERATOR

THE RESULT OF A MORE COMPACT HERMETICALLY SEALED FREEZING UNIT

TO PRODUCE a refrigerator possessing all three conveniences required in an efficiently managed home, Westinghouse concentrated on making a more compact freezing unit.

This, the new Westinghouse—developed after twelve years of testing and improving its freezing mechanism—presents three exceptional refinements in addition to many other features achieved by this great electrical laboratory.

How many times each day dishes are taken from or replaced in the refrigerator? That is why efficient housekeepers demand the convenience of the Buffet-Top, to aid this transference.

When desserts require a lower temperature to congel them more quickly than would the ordinary preservation temperature, just turn the knob of the Temperature-Selector. It conveniently placed on the center front panel, arm-high. Can be adjusted with ease.

To facilitate floor cleaning, you find—Broom-High Legs—advantage always desired. They give eleven inches clearance, for easy sweeping.

Only the Westinghouse, with its satin-shine finish in immaculate white, provides these three unique refinements. It is the first refrigerator to answer the demand for compact convenience. See it by all means before you buy any refrigerator!

What One Woman Said

"You tell your people they have the nicest ice cream in town."

This was the instruction given to a National Groceterias manager the other day, by a very decided woman customer. The manager was more than ordinarily pleased in this case (he heeds such statements regularly) because he knew the woman in question and how very difficult she is to please.

Perhaps you already know about it, if not try Cherry Blossom this week.

On Hot Days Iced Tea

Not only as a quencher of thirst is Iced Tea good on a hot day, it is actually invigorating, as well. Remember to make it fresh, cool it and drink it at once. And for the finest tang and flavor use Light House Orange Peels, half pound, 3c.
