

SEEK ADVICE ON INSURANCE

Allen and Lewis Chosen To Get Data On Municipal Buildings

Commissioner Charles E. Lewis and Robert R. Allen have been appointed members of a committee to seek expert advice on insurance on all municipal buildings as a result of an inquiry by the former commissioner three weeks ago into the amount of insurance carried on these buildings. Commissioner Lewis said that as a result of the figures compiled by James W. Parry, village manager, approximately \$700 could be saved in three years if the present insurance policies on village-owned buildings were cancelled and new policies obtained.

President Harry Allen's suggestion that the policies be permitted to mature and then new policies be obtained was abandoned when it was learned that the present policies are co-insurance policies with an 80 per cent fire coverage.

Commissioner Lawrence Hulbert declared that \$30,000 insurance on the Baldwin Public Library was inconsistent and Commissioner Lewis said that he believed the Municipal Building was over-insured.

Mr. Hulbert also said that he believed the Municipal Building should not be insured for more than \$75,000 against loss by fire. The building now is insured for \$132,000. The fire department is located in the building which is fire-proof, with the exception of the roof.

The largest crowd ever to attend a Sunday school picnic of the First Baptist Church of Birmingham spent an enjoyable time at Elizabeth Lake Tuesday. More than 100 children from the Sunday school classes made the trip in three large buses. Lunch was served at noon, and games and other amusements occupied the time.

Harry Pepprell, of Watkins street, who was injured in April in an auto accident on Greenfield road, and who was unconscious in Margraves Hospital, Royal Oak, for more than two weeks, has returned to his position in Stroup's Market. Pepprell received a fractured skull and other injuries and even after becoming conscious was forced to remain at the hospital for several weeks.

Pictures of the Baldwin High School Class of 1936, the faculty and graduates, which appeared in the Birmingham Eccentric last week, were obtained through the courtesy of The Baldwinian, the annual publication of the school. This wanderer from the way of publicly expressed appreciation therefore bespeaks his greatest acknowledgement of the kindness of the Baldwinian staff and directors.

Harry Reynolds, owner of the Birmingham Cab Co., has a fox terrier that's fond of ice cream. The dog, "Frisky," on Monday performed all of his best tricks at the corner of Woodward and Maple avenues before he received his complete reward—the entire ice cream cone. "Frisky" jumps over the barriers of Mr. Reynolds' legs, through Mr. Reynolds' arms, and in circles. On threat of being denied the rest of the cone, "Frisky" sneezed and yawned for the edification of the bystanders, among whom was this Wanderer.

GOLF

With a low gross score of 87, Mrs. Olin Finney, of Detroit, last week won the two-ball mixed foursome tournament at Oakland Hills Country Club. Other pairs who placed in the contest were Mrs. F. L. Dent and Mrs. J. C. Comee; Mrs. H. C. Salinger and E. J. Cochrane; Mrs. L. J. Matheson and L. E. Johnson; Mrs. J. D. Statton and B. H. Cram; Mrs. C. E. Schley and G. W. Muelh.

The two-ball mixed foursome matches will be held July 9.

On Saturday the third round of the men's 72-hole medal tournament, 18 holes, will be played.

One of the most important events of the season at Oakland Hills will take place a week from today, Thursday, June 26, when more than 400 persons will take part in the annual "Round-up," 36 holes of medal play, 18 holes on each course. This will be an invitational tournament and excellent prizes and golf equipment will be awarded the winners.

Michigan will have 19 representatives in the National Open tournament at Minneapolis, July 10, 11 and 12, five of them having qualified Monday in the tournament at the Detroit Country Club. The five who qualified are Al Watrous, of Oakland, with a card of 77-75, 152; Ormond Beaupre, Western Golf and Country Club, 72-73, 151; Charles Guest, Loehaves, 69-79, 148; Clarence Gamber, Forest Lake Country Club, 74-77, 151; and Arthur Ham, 76-78, 154. Ham was forced to withdraw because he left after the tournament to become professional at the Charlotte Country Club, Charlotte, N. C.

The playing was made exceedingly difficult when a downpour in the afternoon flooded the course and turned some of the greens into small ponds that were navigated with nibblicks instead of putters. Other Detroit members who will compete in the National Open are Walter Hagen, George Von Elm, Charles Hilgenbrat, Henry Kocis and Tommy Armour, all of whom are eligible because they placed within the 30 in the National Open last year.

Scores during the week at clubs in the district were: Oakland Hills Golf Club—Won by Charles E. James, net 78; second, Howard Hagarty, net 82; third, Fred C. Cole, net 83; fourth, Earl Warner and W. E. Dunston, net 84; Sherman A. Dunston, Jr. and Arthur A. Willson, Sr. had low gross with 80 and W. E. Dunston and Tom Dunston had net of 83-83.
