CHARMING SIMPLICITY MARKS VOORHEIS-SNYDER WEDDING

Simplicity characterized the wedding, Friday, of Miss Alice Voorheis, daughter of Mr. and Mrs. Irving I. Voorheis, to Mr. Rufus Walter Snyder, of Worcester, Mass., son of Mr. and Mrs. Walter Snyder, of Charlotte, Mich. The nuptials were solemnized in the First Baptist church. The ceremony was performed at 2 p. m. by the Rev. David Leon Woodward in the presence of friends and relatives of the couple.

The bride, who was given in marriage by her father, wore a dress of Alice blue crepe, a wide-brimmed hat and shoes of matching shade and carried a bridal bouquet of butterfly roses and lilies bound with a bow of white tulle. Miss Lagreta Strickland, niece of the groom, attended the bride as flower girl attractively dressed in a flowered dress of pink and blue and carried a basket of spring blooms. Fredrick, the small brother of the bride was the ring bearer.

Following the reception, which was given in the church parlors for 75 guests, Mr. and Mrs. Snyder left immediately after the ceremony for Worcester, where they will reside.

The bride attended the Birmingham Public Schools and was graduated from Baldwin High School with the class of 1918. She later attended Michigan State College where she was graduated in 1922. She has been an instructor in the Smith College Cooperative Nursery School at Northampton, Mass. Mr. Snyder was graduated from Michigan State College in 1922 and Pennsylvania State College in 1925.

Cat-Boat Racing At Orchard Lake Attracts Society

Many Village And Bloomfield Residents Active In Sport

Cat-boat racing is one of the many interesting diversions which claim many adherents in Orchard Lake and Bloomfield Hills, and weekend finds many skippers both men and women at the Orchard Lake Country Club indulging in this fascinating sport.

This sport has been offered at the club for three years, is one of its most important activities and is rapidly increasing in popularity, says Mr. Robert Grindley, chairman of the sail-boat committee. The club operates a fleet of 15 sail boats. Mr. Albert Wasley is fleet captain of the men's group and Mrs. Ben Micou of the women's group. Each Friday the women sail the Orchard Lake regatta for the ladies' races and Saturday and Sunday afternoons for the men.

The races for both men and women are conducted in May, June, July, August, and September. Each month's races are recorded as a series. Three winners of each class are chosen from each series and these skippers compose the contestants for the championship series in September from which the champion man and woman skipper is selected. The champions have their names placed on the "Wheel" in the lobby of the club house. Last year's winners were Mrs. Hugh Hitchcock, and Mr. Collin Campbell.

Among the people who are interested in the races are Mr. and Mrs. Robert Grindley, Mr. and Mrs. Ben Micou, Mr. and Mrs. Collin Campbell, Mr. and Mrs. Thuron Van Dusen, Mr. and Mrs. Hugg Hitchcock, Mr. and Mrs. Paul Fenfield, Mr. and Mrs. Spencer Withee, Mr. and Mrs. E. Flower Festival At Cranbrook Is Splendid Success

Many Attend Lovely Show At Booth Pavilion On Saturday

The flower festival and garden party which was held Saturday at Cranbrook, under the auspices of the Women's Auxiliary of Christ Church, and the Bloomfield Hills and District Horticultural Society, was a splendid success.

The festival, held in the pavilion and the Greek amphitheatre at Cranbrook was a brilliant array of colors, flowers, and costumes. Booths, in which homemade pastries, flowers, refreshments, and gardening implements were sold attracted large crowds. Betty Stakelin, Maria Hedley, Josephine Tallafiero, Mary Hills, and Betty O'Neil dressed in colorful panier costumes sold flowers. The refreshments booth was operated by a group of girls garbed in bright gypsy costumes. They were Miss Roymanne Thompson, Miss Betty Blanchard, Miss Mary Isabel Davis, Miss Mary Kathleen Morley, Miss Nora Glancy, Miss Louise Glancy, and Miss Adele Shaw.

Fish Pond Popular
Another popular feature of the festival was the fish pond, the first operated by Mrs. W. O. Stevens. The fish pond proved a source of pleasure to the many children who attended. The baked goods counter was presided over by Mrs. Sterling Ruloff, Miss Mary Tallafiero, Mrs. Frank E. Parker, Mrs. William G. Lechen, and Mrs. Bertha M. Woodruff.

Tea was served in the early afternoon at tables placed on the lawn about the pool and the amphitheatre. Following the luncheon, which was served for about 400 guests, the flower exhibits were sold at auction. The advertising posters designed for the affair by the life-sketching class of the Cranbrook Art Academy, conducted by David Evans, also were sold at auction.

The greatest number of prizes in the flower exhibit were awarded to Mrs. W. T. Harbour, whose entries in James Galloway, The Barbour exhibits were given eight first and three second places; Mrs. W. B. Whittlesey, two second places; Charles Mitchell, took three first and three second places; Ivan Cooper, gardener for Mrs. John R. Shaw, also took three first and three second places; Mrs. H. A.
