\$1.50 PER YEAR—SINGLE COPIES 5c

25 GRADUATES GO TO COLLEGE

Baldwin Alumni Plan To Continue Educations Next Fall

A comparatively large number of Baldwin High School graduates have definitely decided to enter colleges in September. From the present number of 25 who have registered, a maximum of only four students have selected the same school, the University of Michigan, the others choosing schools in various parts of the country. The fact that Baldwin High School is accredited by the North Central Association makes it possible for its graduates, who have satisfactory scholarship records, to enter practically any college with the exception of some Eastern schools which still require entrance examinations of all high school graduates.

Following are the students who will enter colleges in the fall: John Bangs, Principia, St. Louis; Betty Brode, Hollins College, Hollins, Va.; Oak Deberg, Michigan College of Mines, Thomas Elmhurst, University of Michigan; Beatrice Green, University of Michigan; Katherine Hunt, Gulf Park, Gulf Port, Miss.; Mary Hutchinson, Sweet Briar; Marguerite James,

WE HEARD IT SAID BY—

A. W. Berard, public schools supervisor or instrumental music, and director of the summer band at Baldwin High School: "The turnout at the first practice of the summer band was encouraging. I wish everyone who plays a band instrument, whether enrolled in the schools here or not, to understand that the summer band is open to them."

Oberlin; Betty Jane Kidder, University of Wisconsin; Edward Kurth, University of Michigan; Hartwell Ladd, Cornell University; Thomas Neal, University of Virginia; William Sabom, Olivet; Vadine Scott, Oberlin; Charles Sdupek, Michigan State College; Barbara Stecker, Stilling College, Bristol, Va.; Patricia Sullivan, Kalamazoo College; Virginia Thomas, Queens University, Kingston, Can.; James Winborn, Cornell University; Sanford Waring, University of Florida; Roy Wragby, University of Michigan; Calvin Morgan, Baker University, Baldwin, Kan.; Joy Stewart, Ohio Wesleyan; Jane Poppleton and Lela Poppleton, Penn Hall, Chambersburg, Pa.

At the close of the Eccentric's "Everybody Wins Campaign" a subscription price in Oakland County is going to be raised from \$1.50 to \$2.00 per year. Herp a candidate now, and save.

Going Abroad

MISS LORETTA PORRITT

As a reward for her scholastic excellence at the National Park Seminary, Washington, D. C., where she was graduated, May 29, Miss Porritt will leave today with her parents for New York where the family will sail on the S. S. Lancastria for a European trip.

Following Miss Porritt's graduation from Baldwin High School, in 1928, she accompanied her family to Europe for an eight weeks visit in Germany, France, Holland, and England. The itinerary for this tour will include a cruise of the Mediterranean, and later visits in England, Scotland, France, Germany, Norway, and Spain. They also plan to see the Passion Play at Oberammergau, Rath and Dorothy, younger sisters of Loretta, also will be in the party.

During her two years of study at the seminary, Miss Porritt took an active interest in Dramatics and was senior executive of the Phi Delta Psi Sorority. Following her return to this country in the fall she plans to enroll in the Bonesteel Dramatic school, at Detroit.

MARY MILNER GOLF TOURNAMENT

First Annual Fathers and Sons Contest Has Big Entry List

The first annual Fathers and Sons tournament of the Birmingham Golf Club, held last Saturday, brought an encouraging entry list. Although scores were high, there was sufficient competition among the youngsters to keep up interest to the end.

Dr. R. M. Athay and W. W. Barry proved the heroes of the tournament. Dr. Athay was unable to be on hand until five o'clock, in the evening, in order to give his two sons a chance he went out with Mr. Barry and his son. They played the full 18 holes, but toward the end darkness came on and they pushed their way through the thicket to the clubhouse.

The tournament was divided into two divisions, one for those who had handicaps and one for those who did not. In the first class W. E. and Tom Dunston won with 148 and 149, respectively. P. Dodd and B. Fleming won with 146 net.

Second place was tied with 148—G. E. Baldwin and Jay Fleming, and C. F. Craig Sr. and C. F. Craig Jr. Third place was also tied, with 149—W. W. Cole and Bob Marshall, and Ed and Bill Fuller.

The first round matches in the Scotch foursome tournament were completed Sunday, and resulted as follows: W. E. and Tom Dunston defeated L. O. Brown and Ray Foley, 2 and 1. L. P. Dodd and H. E. McCurry defeated C. H. Stump and W. W. Cole, 1 up. W. M. Pratt and George Craig defeated B. J. Moynahan and C. S. Slack. G. E. Baldwin and Dr. R. M. Athay defeated C. E. James and Dr. W. N. Holdaday, 2 and 1. G. C. Gray and Dr. W. S. Sumner defeated S. A. Willson Sr. and S. A. Willson Jr., 1 up, 36 holes. H. G. Meher and E. N. Vels defeated F. S. Salter and A. P. Richards, 2 up. L. J. Heaphy and A. W. Courtney defeated E. B. Locke and Dr. R. M. Athay, 4 and 2. R. B. Neal and H. McClelland defeated the Schmidtmir and C. G. Bennett, 1 up.

VILLAGE IS ASKED TO PAY FOR TIRES

Man Claims Damages After Driving Car Over Safety Zone Markers

George L. Russell, an advertising solicitor for the Detroit Times, in a communication to the village commission Monday evening asked the village to pay for two tires which he claims were damaged when he drove over one of the new safety zone markers at the corner of Brown street and Woodward avenue, Monday morning, June 16.

Commissioner Robert R. Allen moved that the matter be referred to Manager Parry and Clara H. Ogden, village attorney.

James E. Pepperell, 631 Watkins street, also appeared before the commission, asking that a street light be placed at the intersection of Watkins and Brown streets. Fear that another accident similar to the recent one resulting in injuries to persons and to village property owing to the dangerous intersection would be caused, prompted Mr. Pepperell to ask for the light.

BEGIN LAYING WATER MAINS

Village To Construct 12-Inch Pipes From Derby Well Soon

Construction will be begun within a few weeks on a 12-inch water main through the Walsh, James and Wasey subdivision east of the Derby well, Village Manager J. W. Parry says.

The original problem of re-routing the water mains around the subdivision, which is not a part of the village, to the tank has been solved by the agreement between the realtors and the village.

The cost of a 12-inch main through the subdivision would be approximately \$14,000, but the real estate company has offered to pay what a six-inch main would cost to be constructed through the subdivision. A 12-inch main will be put through, and the resulting cost to the village will only be about \$6,000, Mr. Parry says. The guaranteed pressure of the well is 750 gallons per minute, approximately 1,250,000 gallons per day. However, the pressure exceeded the guarantee and the well will pump 900 gallons per minute. The six-inch mains will not support this pressure. In addition to the danger of their bursting, they also provide enough friction to slow up the progress of the water to the tanks very appreciably. Twelve-inch mains are consequently necessary, as it is only safe now to pump 550 gallons per minute through the mains. The action of the real estate company thus saves the taxpayers considerable expense, more than cutting the cost in half, Mr. Parry declares.

WE HEARD IT SAID BY—

Walter M. Giles, of Knox street: "People in the United States will be better off if the stock market hits its lowest; for then it is bound to come up again, and prosperity will be on the way to restoration. Last fall there was too much optimism, now I am afraid there is too much pessimism."

Plans to blast a rock on a Chicago golf course were abandoned when it was found to be part of a meteor. It was sold for \$800.

LOVETT TALKS TO ROTARIANS

Detroit Discusses Taxes At Service Club's Regular Meeting

The people are responsible for taxes and when they urge their representatives or congressmen to pass measures involving expense they are likely to forget that these expenses will come out of the public funds and that they will be taxed accordingly," was the theme of the talk on taxation given before the local Rotary Club at its luncheon Monday noon by John Lovett, secretary of the Michigan Manufacturers' Association.

Mr. Lovett reviewed the taxation question from many angles, covering the municipal, township, county, state, and national forms of taxation. He stated that if the public would watch the taxation and keep closer touch with the men in office it would have a better knowledge of where its money was being spent.

FOR SALE

Beautiful lot in Quarton Lake Estates, 70x164, all improvements. In Price \$2650, on terms. This is approximately \$37 per foot. We have also some very attractive buys as well as some very good rentals, ranging from \$45 up to \$125.

BENEFIT BALL GAME, JULY 4

The Crowley-Milner nine of Detroit has been chosen as the opponent for the Fourth of July benefit game by the Birmingham Merchants, it is announced by Joseph LeFave, manager.

The proceeds of the game will go to Walter Rockwell, Birmingham player who was hurt at the first game of the season and who has been incapacitated since.

The game is scheduled to start at 3 p. m. at Bloomfield Park. It is understood that LeFave will start the game for the local nine.

THEFT REPORTED

Milton Colton, 612 Madison avenue, reported to police that someone entered his home Saturday night, taking a cigarette lighter, an automatic pen and pencil, and from five to eight dollars in cash.

W. C. T. U. MEETS NEXT TUESDAY

The regular monthly meeting of the W. C. T. U. will be held Tuesday at the Bloomfield Township park club house. The meeting will be opened in the morning with a business session and following luncheon there will be an outdoor program. Mr. J. Clarence Vliet, superintendent of Birmingham Public Schools, will be the speaker of the afternoon and the devotional services will be given by the children of The Baptist home. The remainder of the program will be devoted to readings and songs.

All those who desire to attend this program will meet at the Baptist church at 11 a. m. Although Monday has been the regular meeting day of the club, it has been changed to Tuesday.

INTERURBAN RAMS AUTO ON WOODWARD

Making a left-hand turn from Woodward street to Third street Saturday evening, a car driven by Victor H. Cabolane, University Museum, East Arbor, was struck from the rear by an interurban car. According to police Cabolane did not see the interurban car until it struck his car from the rear. Damage estimated at \$50 was done to the auto.

A triple collision in Sunday afternoon traffic on north Woodward avenue resulted in slight damage to two cars. One car, driven by Berg, 2641 Euclid avenue, Detroit, proceeding north on Woodward, was struck by another car, driven by who was driving in the second line of traffic, lost control and struck a car driven by K. J. Johnson, 397 West Chicago, Coldwater. No one was hurt.

TRAFFIC FATALITIES IN COUNTY DECREASE

Oakland County, usually in the lead with the most number of traffic fatalities for the state, is now in third place with a reduction from 18 to 16 for the first four months of 1930 as over the first four months of 1929, according to figures from the Vital Statistics Bureau of the Detroit Automobile Club.

H. O. Rounds, director of the Safety and Traffic Division of the auto club, says the pedestrian accounts for 90% of the fatalities and the automobile for 75%.

GETS MASTER'S DEGREE

James E. Baynes, son of Mr. and Mrs. E. Baynes, of Telegraph road, received his Master's Degree in civil engineering at Michigan State College Monday, June 23. Mr. Baynes was graduated from Baldwin High school in 1918, and since his graduation at Michigan State College in 1924, has been employed by the State Highway department at Pontiac.

Motoring Sensation of the Year

NEW Red Crown Ethyl Gasoline
