SHAKE-UP IS ORDERED IN STREET DEPT.

Commission Compels Parry To Appoint Schlaack New Superintendent

MOTION PASSES 4 TO 3

Re-organization of the Birmingham street department, with Phillip Schlaack as the new superintendent, was ordered by resolution of the Village Commission Monday night following the refusal of James W. Parry, village manager, to make the change upon the request of the commission two weeks ago.

The resolution was passed by a vote of four to three, the first disagreement of consequence between the members of the commission, and Mr. Parry announced that he would follow out the mandatory order this week. George A. Newman, present foreman of the department, will be offered a lesser position and Mr. Schlaack will succeed him at the head of the department at the same salary, Mr. Parry said.

The split in the commission, which resulted from the proposed appointment, found President Harry Allen and Commissioners Lawrence Hulbert and Charles E. Lewis opposed to Commissioners Robert R. Allen, Walter L. Connelly, Maurice Lowman and Dr. Fred L. Tucker. President Allen's proposed amendment to the resolution ordering the appointment was defeated by a similar vote.

Investigation Held

Commissioner Maurice Lowman and Walter Connelly who composed the committee which investigated the street department requested the change be made several weeks ago but Mr. Parry declined to carry out the order until it was in the form of an official resolution. The result was a resolution tending to rebuke the village manager and order the appointment which Mr. Parry labeled "obviously political" several weeks ago.

Members of the commission expressed dissatisfaction with the operation of the department several weeks ago but Mr. Parry said that he didn't think the appointment would increase the efficiency of the group. The members of the commission who voted on the original resolution expressed satisfaction with the principle of the appointment. If the manager was forced to make an appointment to which he was opposed, and you would be held responsible for the work and actions of the man appointed, it would not be an equitable management of the village's affairs, they said.

In the resolution Mr. Parry was given 30 days within which to appoint a new head of the department and although no specific mention of Mr. Schlaack as the man for the position was made, Mr. Parry has agreed to make the appointment, he said.

Jack Johnson "The Real Jack" Pays Speed Fine

Famous Negro Prize Fighter Nabbed By Sergt. Delos Anderson

James Sprott, former deputy-superintendent of the Detroit Police department, who ejected John L. Sullivan from a Detroit saloon long years ago, has nothing on Sergt. Delos Anderson of the Bloomfield Hills police department, who arrested Jack Johnson, Negro ex-heavyweight champion of the world, Saturday morning.

The former champion, whose sartorial effects spelled perfection itself, was getting the best out of a sport coupe of expensive make when Sergt. Anderson started after him. A merry chase through Bloomfield Hills down Woodward avenue brought the two into Birmingham, where the arrest was made.

Johnson returned to police headquarters with Sergt. Anderson and paid a $10 fine at the violation bureau, complaining that he was "awful poor."

THREE YOUTHS CAUGHT AFTER LONG PURSUIT

Boys Charged With Stealing Car Escape Death In Hail Of Bullets

AWAIT TRIAL FOR THEFT

Three Detroit youths who miraculously escaped death or serious injury Friday night when Sergt. William Green and Patrolman Robert Dunn fired 15 shots into the automobile in which the youths sought to escape, were being held by Detroit police today, awaiting trial on charges of unlawfully driving away an automobile.

The oldest youth, Glenn Day, 17 years old, was arraigned before Judge John A. Boyne in the Recorder's Court on Monday, waived examination and was held in $2,000 bond. His two companions, Francis Wilson, 16, and Lawrence Davis, also 16, are being held at the Juvenile Detention Home in Detroit.

According to the police report, the youths stole a machine in Detroit Friday evening and drove to Pontiac where they abandoned it when a connecting rod was burned out. Edward Westfall, a Pontiac taxi-driver, reported to the police that his machine was stolen and that he had seen the thieves speeding south in Woodward avenue. The Pontiac Police immediately informed Sergt. Green who, with Dunn, went to head off the youthful trio.

Try To Halt Car

At Brownell street and East Maple avenue the officers ordered the car to halt but the youths ignored the command and drove east on Maple avenue. Dunn drove the police car while Sergt. Green emptied his revolver at the youths during the long chase. They continued to speed ahead, however, and Dunn and Green continued the pursuit.

Green shot 27 times at the fleeing car and the first shot went through the rear window between the heads of the two youths in the back seat who were facing the officers. The second shot pierced the body of the car and shattered the front windshield, the driver almost lying down while he steered the machine. Two of the youths lay on the floor of the car and although none of the bullets struck them, flying glass from the rear window, the windshield and a milk bottle that was in the car, inflicted minor cuts on the three boys.

A mile east of Rochester the driver of the car lost control, drove into the front yard of a home owned by Andrew Davidson, around the house and crashed into the rear yard. Sergt. Green and Patrolman Dunn then arrested the youths and returned them to Pontiac, from where they were turned over to the Detroit police.

VILLAGE REMEMBERS HEROES OF WAR IN MEMORIAL SERVICES

With banners flying and martial music filling the air, more than 300 persons, members of the Charles Edwards Post of the American Legion, National Guardsmen from Pontiac, village Boy Scout troops and other civic and patriotic organizations, marched to the Greenwood Cemetery on Friday where solemn observance of Memorial Day was observed.

Beginning at 7 a. m. with the flag raising ceremonies at the high school and services in the high school auditorium at 9 a. m., the day was given over to remembrance of soldiers and sailors who sacrificed their lives that the country might live.

A parade, at 9:30 a. m., left the high school and proceeded to Woodward avenue by way of Merrill street, passing the reviewing stand at Woodward and Maple avenues.

Capt. Lloyd L. Stanley was Marshal of the Day and the Rev. Henry S. Lewis conducted the religious services at the high school and at the cemetery. A momentary rest at the bridge over the River Rouge at Willets street was the occasion for brief ceremonies in honor of the sailor dead. A prayer was said and a wreath was dropped on the waters. Music was furnished by the Baldwin High School band.

Following the services in Birmingham many of the participants in the parade and other villagers went to the White Chapel Memorial Park where impressive services in which national, state, county and Detroit officials took part, were held in honor of the victims of the North Russia Expedition during the World War.

Gov. Fred W. Green, Senator Arthur Vandenberg, Mayor Charles Bowles of Detroit, and representatives of the Allies during the World War were heard in brief addresses of eulogy and 48 bodies of the heroes of the expedition, returned to the United States last winter from Russia, were laid to rest.

More than 35,000 persons were estimated to have attended the memorial services and thousands of these were from the neighboring states of Ohio, Illinois and Wisconsin. The ceremonies were broadcast over radio station WJR.

A kiln will be built and a wheel installed, the latter for those who have already had experience in making pottery. The "life-sketching" classes will be held upstairs.

The first vote scores in The Birmingham Eccentric's $5,000 Everybody Wins Campaign, were made public today, and it includes all votes cast for publication up to 8 p. m. Tuesday night. The score of the votes will appear each week hereafter.

Coincident with the printing of the first vote score, The Eccentric announces today an additional prize of $25 in GOLD to be awarded to the candidate turning in the most subscriptions this coming Saturday, June 7, before 9 p. m.

All candidates start at zero for this added prize—only subscriptions turned in Saturday will count towards winning the $25 in GOLD. This means that an entirely new entrant or one who has not started, could get busy and go "over the top" for this extra consideration, at the same time, be piling up votes towards the big cars and other cash awards.

With this extra prize offered for Saturday's results and in view of the short time remaining in which to secure the maximum number of votes on each subscription, Saturday should find candidates working and planning to make the close of this week one of the biggest of the campaign.

This week is the week to collect your promises. They count two ways now. Votes, during the big first period, with which to win the cars and credit on the extra $25 gold prize.

Those who have been thinking of entering this campaign could find no better time than right now to make the start.

Remember—5,000 free votes given with each nomination, 50,000 extra votes given with each YOU! of subscriptions turned in during your first week in the campaign and 25,000 extra votes for each "Club" during the second week.

To Those Who Have Entered

What are you doing to assure yourself of one of the Grand Capital Prizes in this Prize Distribution? Are you doing YOUR part, or are you sitting back and hoping your friends will do it all?

Every candidate should be doing his or her utmost toward making THEIR prizes as big as possible. If your friends see that you are doing YOUR part, they will help you pile up a winning total. If, however, they see you are unprepossessive and are expecting your friends to do it all, they will throw their support elsewhere.

It's up to you, candidates. DO YOUR PART AND YOUR FRIENDS WILL DO THEIRS.

Help Favorites

Subscribers wishing to favor some candidate may do so by giving them their renewal subscription and coupons. These may be left at Campaign headquarters, in The Eccentric office, or given direct to the candidate. In the event subscriptions are left at the office, care should be taken in naming the candidate who is to receive the votes.
