## One-Run Jinx Still Pursues Baldwin High Baseball Team

By GORTON GREENE

ALDWIN High School's baseball team just hasn't been getting the breaks. The jinx that made its debut in the Tunnell City tilt pursued the squad on Monday. A seventh inning rally staged on the first bit of luck that befell the nine this term netted two runs but was insufficient to overcome the home team's one run lead. With John Shepherd on third and Dale McClelland on second, Roy Annett, Birmingham center fielder, slumped a hot grounder to Robinson. Monroe's stellar twister, who slipped while handling the drive and threw high over the first baseman's head, too late to retire Annett and prevent both him and McClelland from crossing the plate.

"Mike" Ford was the first man up in the inning and was out when he grounded to Robinson. Shepherd was struck on the head by a pitched ball and McClelland hit a clean single. Both runners advanced a base on a pass ball. Hank, who batted for Rocheleau, struck out. Annett singled, going to second on the pitcher's high throw. McKee made the second out when he grounded to the first baseman.

Nine of the Maples were struck

Baldwin Closes Season Undeclared In Little Six Circuit

Championship of the Little Six Baseball League for the second time went to the Baldwin Junior team when it staged a brilliant fifth inning rally that netted six runs to defeat the Detroit Juniors, 10-9, Monday on the Springdale diamond, finishing the season with a clean slate. This marks the second year that the Baldwin Juniors remained undefeated to capture the baseball title since they were admitted to the league last year.

Five straight victories gave the Baldwinites their best along the league trail. They have taken first place in the sport since they entered the league with the exception of last season's basketball honors. Starting out as probably one of the weakest clubs in the league, they kept neck and neck with Adams and Lincoln Juniors. Coach Engel put what material he had through plenty of hard practice and worked out a team capable of competing with other clubs in the league. Two days before the first tilt, the team's two first class pitchers became ineligible but the team pulled through the first tilt, victory over the Lincoln Juniors, 6-3. The fifth inning rally brought in six circuits to tie the score and added by a two base hit, a single, two stolen bases and an error, the Baldwin team chalked up two more runs in the sixth to defeat the Royal Oak Juniors after they had scored another run in their part of the sixth. Guckelburg scored the winning run after Clarence Berkley had tied the score at 9-9.

Royal Oak's final victory in the sixth was made by Underwood who was the second man up. He reached first on an error by Adams and then went to second on Abbot's single. A double steal allowed Adams to score. It was base stealing that aided Baldwin to its victory over the Oaks. Baldwin had five errors in the game. ## FIVE TO RECEIVE TENNIS AWARDS

Coach Stratton's Squad Will Get Letters At Assembly Tomorrow

Dumont Mills, Tom Martindale, Robert Gibson, Earl Morrow and William Ford received letters for tennis this season during an assembly program to be held tomorrow for the purpose of presenting all athletes with letters.

The tennis team although not winning a majority of its matches this year was handicapped by the lack of veterans but made a commendable record. Many of the schools with which they were members of class A and have tennis listed as a major sport.

The team will have a good number of seasoned men back next season and Coach A. R. Stratton hopes to round out a winning team.

Coach Johnson's Baldwin High School track team journeys to Fordston to compete in the S. E. A. League meet this Saturday.
