

## ASK EXCHANGE CLUB COUNCIL HERE IN JULY

Local Service Group Will Invite All Members At Meeting In Warren

### CRUISE ALSO PLANNED

At the regular monthly meeting of the Detroit Council of Exchange clubs, to be held tomorrow evening at Warren, Harry S. Starr, president of the Birmingham club, will extend an invitation for the Council to meet here next July. This was decided on Tuesday noon at Fox & Hounds Inn when H. T. Ellery, president of the Exchange, referred it as a suggestion.

Brief discussion was also had of the proposed summer cruise of Michigan Affiliated Exchange clubs from Detroit to Mackinac Island, and Sault Ste. Marie starting June 14 and lasting three days. The cruise will take the place of the usual summer state convention.

Charles A. Bingham, in charge of the club's recent Harry Brooks Memorial Service, offered a tentative report of the observance. A total of 8,175 pieces of mail were stamped with the cache, including communications from the office of Governor Green. The club Tuesday noon tendered Mr. Bingham a vote of thanks for the excellent work of himself and his committee in connection with the event.

Charles Hummel, of Grand Rapids, at the guest of Exchange Arthur C. Peck, sang two songs, accompanied at the piano by Eddie Edwards.

### Church Club Ends Pre-Lenten Season

The pre-Lenten season closed at the St. James Episcopal Church with a meeting of the Men's Club Tuesday evening, when 78 members and their friends gathered for dinner, served by the League of St. James Women. Following the dinner, the Rev. Warner L. Forth delivered an address on "Religion and the Bible," which he illustrated by means of a chart.

Charles C. Hess, president of the club and junior warden of the parish, stated the aims of the club and called for suggestions. Adjournment was then made to the parish house, where Bridge was played until 11 p. m.

# FACTORY STYLE EXHIBIT

of SIMMONS NEW

# BEDS AND BEDDING

Friday and Saturday - March 7th and 8th

Due to the tremendous business done by the Wolverine Warehouse Store in the sale of Simmons Beds and Bedding, we have secured the cooperation of the Simmons Company who are sending special representatives and a complete display of their very newest beds and bedding, direct from the factory.

There has never been such an exposition in Pontiac. For weeks we have been preparing for it. Now we are ready to show you the latest styles (a few of which are illustrated on this page), the newest colors, and advise you how to harmonize the furnishings in your sleeping rooms.

## FLOWERS for the LADIES

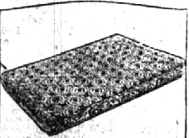

Mrs. Lawrence Armour chose these beds for her lovely Lake Forest home. Their beauty and simplicity will make an attractive room even more attractive.

A new creation of the Simmons Company—the four poster bed with solid head board—a piece of authentic Early American pattern.

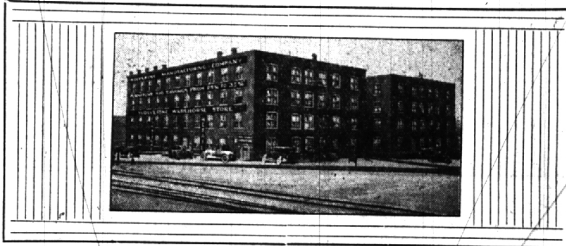

The outstanding features of these beds are the grills on the head and foot which give charm and grace to its design.

The Famous Beautyrest Mattress for "the rest of your life." A scientific product of the world's largest makers of beds and springs.

## You Are Invited

We want you to come and see this display. You will be interested to see how easy it is for you to adopt many of the new decorative ideas to your own rooms. Come tomorrow or Saturday and receive the expert advice of the Simmons representatives.

## The Wolverine and Simmons Combine to Present the mode in Sleeping Equipment

It would be practically impossible for any individual dealer to show an exhibit such as you will view here tomorrow and Saturday. Due only to the fact that we are one of the biggest dealers of Simmons beds we were able to secure the co-operation of the factory in bringing their most beautiful creations to Pontiac.

Here you will see the exact beds that you have seen advertised in the national magazines. Beds that the smartest women of this country have chosen for their homes. Beds in a galaxy of color and style from the more familiar period types in superb wood-finish to the brilliant tones of the modernistic types.

Here, too, are the famous Beautyrest Mattresses, in their luxurious damask coverings, and the new Ace Box Spring-damask cover to match.

## Note

Miss Katherine McBarry, Stylist for the Simmons Company, will be here both Friday and Saturday to advise you on style and color harmony in bedroom furnishings.

The hours of this exhibit will be

9 A. M. to 1 P. M. 2 P. M. to 6 P. M. 7 P. M. to 9 P. M.

## FLOWERS for the LADIES

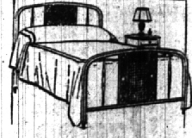

Dainty as a Sevres vase in refinement of line, these beds will lend beauty and distinction to your bedroom.

A happy combination of conservative utility with exceptional beauty; these beds are everywhere being enthusiastically received.

A bed of Modern French design. Chosen by Mrs. Charles Gery Rumsey for the "Blue Room" in her French Chateau.

This, indeed, is a distinct addition to the Simmons Company 1899 line of beds and you will find it available in a choice of several attractive finishes.
