

THIS IS WEEK BOYS OBSERVE

Like Boys All Over World Village Youngsters Show Their Capabilities

Birmingham boys, like boys all over the world, are observing Boys' Week, Apr. 26-May 3. The purpose of the week, which is sponsored by Rotary International, is, according to Lloyd Stanley, Michigan Boy Scout chairman for the American Legion, to "get boys in action so that parents and other residents will see that boys are capable and in turn to get parents interested in boys' work."

General "get-togethers" were held Saturday by the boys inaugurating the week. On Sunday, an unusually large number of boys attended church, where many pastors preached sermons composed especially for their interest. Last evening, Boy Scout troop #32 which the Legion sponsors, met in the Community House and heard talks given by Mr. Stanley and other Legion members. Tomorrow evening, Mr. Stanley will talk on Boys' Week to Troop #2 in the Baptist Church.

The following message of encouragement was sent by President Hoover to Walter W. Head, of Chicago, chairman of the

United States National Boys' Week committee: "With their fathers hold in their hands the most precious hopes of the future of our country. Their health, their education and their high ideals will determine the quality of American civilization, a generation hence. There is a noble heritage and I have every faith that they will add to its priceless worth."

LEGION MEETING IS SET FOR MAY 7

Joint Assembly With Auxiliary Will Be Held At Springfield Park

A joint meeting of the American Legion and the Legion Auxiliary will be held next Wednesday evening at Springfield park. The program is planned to include a speaker and social events, including cards, dancing, and refreshments. All members are urged to attend.

A business meeting of the Auxiliary was held Tuesday evening at the home of Mrs. Ernest Buttraw, on Rivesdale avenue. It was reported that a large box of children's clothing had been sent to the Billet at Otter Lake, and that money is being sent for shoes. Plans for the poppy sale show that 2000 have been ordered by the local post to be sold Memorial Day for the Otter Lake Billet.

PONTIAC CHORISTERS WILL GIVE CONCERT AT BAPTIST CHURCH

As their contribution to National Music Week activities, Mr. Frederick Protheroe and the choir of the First Baptist Church has invited the choir of the Bethany Baptist Church of Pontiac to present a special musical service here on Sunday night. The choir, under the direction of Mrs. Florence Buschmidt and Oscar Schmidt, organist, numbers 30 voices.

Mr. Schmidt, who is organist-director of the First Congregational Church of Pontiac, will preside at the organ. Mrs. Schmidt, who is a violinist, will contribute the offertory solo. The choir will sing three anthems in addition to the prayer responses and choral benediction. Following the special music the Rev. David Leon Woodward will give the second sermon of the group on the characters of the New Testament, "Peter the Rock."

Mr. Protheroe and his organization will present a similar program at the Bethany Baptist Church in Pontiac. Mr. Protheroe has also arranged for two programs to be given in the near future. Miss Brunstedt of the high school will present her glee club in a service of song and later the soprano choir of Flint under the direction of R. W. Langlo will give a program.

Recently, Mr. Protheroe conducted his choir in a series of

STYLE AUTHORITY YOUR BOY APPROVES

Saves your time in selection and satisfied the youngster who seems hard to please

We've set our stylists to this problem of the boy's own preference. They have created smart styles that boys approve and which embody features to be had only in Kaynee. They tested countless fabrics for smartness,

color and durability, and selected only the best. They insisted that buttons be sewed on to stay—that seams be extra stitched to prevent ripping. The result is—Style that your boy approves and quality you insist upon.

We Have Fine Churches

We have fine schools, we have fine churches, we have fine homes, AND WE HAVE FINE STORES. Birmingham is indeed fortunate to enjoy superior facilities for learning, religion, living and shopping. Look about you next time you are in the shopping district and compare the facilities with those of other towns of equal size. You cannot help but note, not only the fine stores to serve you, but the wide range of merchandise available.

What Led You To Choose Your Home Here?

As an independent store, Miner's offer a class of merchandise that only a few other stores in Michigan carry. "If it's from Miner's, it must be good," is another way of disclosing our merchandise policy. There is as much difference in buying at Miner's rather than a chain store, for example, as there is in eating at the Hotel Statler rather than an ordinary wayside restaurant. This does not, however, imply high price. Our overhead compares with other stores. But, when you do pay more for an article you really are getting that much more for your money.

ELLERBY SPEAKS ON RED DANGER

Former Village President Warns Lions Of Communistic Propaganda

Urging all service clubs to join in a campaign to oppose communism and Red propaganda in American schools and colleges, H. T. Ellerby, former village president speaking before the regular meeting of the Lions club, yesterday cited statistics to show the increase in the number of adherents to communism in the United States.

"Most of us do not realize, or refuse to recognize the insidious and rapid growth of Communism in the United States," he said. "In almost every educational institution there are branches of the Red organization. Attempts are being made regularly by the communists to increase their strength in the nation's schools. We must sever this growth by excellent results can be obtained if the service clubs would join in an intelligent fight against it."

Tennis Club Opens Membership Drive

With pretentious improvements to the clay courts of The Birmingham Tennis Club now going on, the members are looking forward to an active 1935 season.

Within a week the courts will be ready for play. They are all being entirely rebuilt, with new and larger drains for faster drying after rains. They will be resurfaced with a clay that has been used successfully on the courts of well known Detroit and Grosse Pointe Estates. Mr. Staehlin of the Corry Nursery is supervising the reconstruction.

Realization that there are many men and women in the village who have not been associated with the club in the past, and yet are enthusiastic followers of the sport, has prompted a membership drive before the official opening of the season. Several applications for memberships have already been made.

Persons interested are asked to communicate with the club secretary, Clarence Warner, of The Birmingham Tennis Club, or with Craig Ritchie of Arlington road, the president.
