

# SPRINGTIME'S HERE

WITH Spring in the air it's time to think of home and good living. It's time to build the new home you have planned. Or it's time to modernize the old one. At least it's time to get everything in good order. And here, on this page, the people who can help you offer their suggestions. Talk your problem over with them. Let them help you save money.

## New ROOFS For Old

Did the snow and rain creep through your roof last winter? If so, you are undoubtedly "roof conscious" now. Don't let the condition carry over into the Summer. Let us put your roof in top-notch shape. We'll repair if possible. We are experts on all kinds of roofing, and can give you a good job—economically.
