

The Campaign Starts NEXT MONDAY

Ten years ago a little group of Birmingham women met on a shady lawn to think in futures.

They foresaw that the charm of their village might be threatened. They sensed the danger of a change in its atmosphere—so quietly gracious in contrast to the strident bustle of the city.

They anticipated an influx of newcomers who might escape the melting pot of neighborliness and become isolated groups living among us but not *with* us. They foresaw the possibility of a village growing steadily larger and more complex, without some central source of charitable activity.

And because they believed that intelligent action could prevent all this from coming to pass, the Community House Association came into being—housed in a pitiful little cottage with nothing to commend it save the spirit within its shabby walls.

Year by year its activities broadened. Year by year it filled more community needs—until our citizens, in a magnificent gesture of appreciation, joined in the common cause of erecting a new and adequate building.

Now the new Community House, with its improved facilities, is fulfilling its purpose in a fashion far beyond the dreams of that little group ten years ago. But to maintain its broader activities, greater funds are required. And the campaign to raise those funds begins next Monday morning.

Some time during the ten days following you will be given an opportunity to aid in the attainment of the goal.

Into your home, your office or your place of employment, will come one of the public-spirited men and women who constitute the campaign committee. They are giving their time as well as their money to further a worthy cause.

Greet them with a smile in your eyes—and a welcome in your heart.

**COMMUNITY HOUSE
ANNUAL MAINTENANCE
ROLL CALL
May 19th--29th**

MANY HANDS ONE HEART

These are the men and women who sponsor the Community House Annual Maintenance Roll Call. They not only endorse and champion the cause, but have dedicated their time and energies to the collection of these sorely needed funds. From every section of the community they come—from every walk of life—many hands, one heart!
