CRANBROOK ADDS FOUR TEACHERS
Three Language Instructors And Mathematics Instructor Join School Faculty
Four new instructors have been added to the Cranbrook School teaching staff for next year. How-ard C. Yale, will teach Latin and French. He is a graduate of Hamilton College, at Hamilton, Ont., and is now teaching at the Cincinnati Country Day school. Walter F. O'Brien, B. S., Colby college, will teach mathematics. J. J. Finney, A. B., University of Vermont, will teach Latin, and Harvee Chambliss, Jr., A. B., University of North Carolina, will teach English.

CHURCHES
Methodist Episcopal Church
Marie J. W. Woodruff, St.
Robert Marenus Atkins, Pastor
10 a. m.—Sunday School.
Classes for everyone.
11 a. m.—The celebration of the One Hundred Third Anniversary of this Church. The Reverend Sidney D. Eva, Minister of the Methodist Episcopal Church of Mt. Clemens, will be the preacher. Mrs. E. D. Bird and Mr. Fred Hallender will contribute reminiscences. The choir will render special anthems of praise: "Hail to the Lord's anointed" by Andrews; "O Give thanks unto the Lord" by Smart; "All Thy works shall praise Thee" by Roger. The Psalter for the day is the twenty third Psalm. The service is in honor of those who have been members of this Church or connected with it for more than 20 years.
7:30 p. m.—The Epworth League is conducting the evening service and merging its program with that of the Church. Richard Ellery will preside, and he assisted by Floyd Doherty, Edwin Deer and George Winborn. Jack Russell will render a trombone solo and Charles Mullin and William Spence will be heard in a vocal duet.
The general theme for discussion is "Youth and the Church."
The ushers are: Mary Emma Green, Dorothy Anderson, Jane Carnahan, and Beatrice Mattingly.
A cordial invitation is extended to everyone to attend this service under the leadership of the Young People.

CHEVROLET
This Sturdy Chevrolet Six 1 1/2 Ton Truck \$520
No matter what your business may be, bear in mind when you buy a truck that it's wise to choose a Six! A six-cylinder engine runs smoothly—saving both the chassis and body from the harmful effects of vibration. It is more flexible in traffic. It requires less gear-shifting. And it maintains high speeds more easily. The Chevrolet Utility Truck gives you all the superior-
ities of six-cylinder performance—for it is powered by a great 50-horsepower six-cylinder valve-in-head engine. And, in addition, it brings you all the advantages of modern design listed at the left.
Come in today and see this sturdy six-cylinder 1 1/2 Ton Truck. You can see for yourself why truck users are finding it's wise to choose a Chevrolet Six!

A body type available for every business need
Leading body manufacturers have developed, for the new Chevrolet 6-cylinder trucks, an unusually complete line of bodies available in various capacities, special designs and types to fit the needs of every business.

It's wise to choose a SIX

Yes! THE NEW Refrigerator
... by **WESTINGHOUSE**
ALONE HAS ALL THREE OF THESE REFINEMENTS
Product of the great Westinghouse laboratories
GLEAMING white... with glints of satin-finish hardware against the sheen of its porcelain or lacquer-on-steel... rich... beautiful in its simplicity... the New Westinghouse Refrigerator.
It is the only refrigerator that has all the refinements that a modern machine must possess... Buffet-Top... Temperature-Selector... Broom-High Legs.
For twelve years the Westinghouse laboratories studied household refrigeration... experimented with freezing mechanisms. At last they developed one that suited them in every way... that answered every requirement.
They had demanded of themselves a refrigerator unit that was smaller... lighter... more efficient and economical... faster in freezing. And they created it in the end. When you see it, you will marvel at its compactness.
It is this improved freezing mechanism that makes possible the Buffet-Top, that is such a joy when you are taking things out or putting them away... the Broom-High Legs, that facilitate cleaning... the rugged Temperature-Selector with its sensitive control of freezing speed.
Every detail of the new Westinghouse Refrigerator discloses an advance in construction and design. You must see it, whether or not you are thinking of immediate purchase, for it is certain to become the standard by which judgment will be made.
Models are now on display.
