## THEATERS

Friday and Saturday—Marion Davies, featured in "Not So Ugly."

Sunday, Monday and Tuesday—Karl Dane starred in "Montana Moon."

Next Wednesday and Thursday—George Arlino in "The Green Goddess."

### DETROIT CIVIC THEATRE

"Your Uncle Dudley," the hilarious comedy by Howard Lindsay and Bertrand Schubert, which has been delighting audiences at the Detroit Civic Theatre for the past week, will continue for another week at that playhouse.

"Your Uncle Dudley" is a comedy of American life that tells of a small-town gladiator who makes money for everybody but himself, and who is possessed of a sister bent on turning her only daughter into a professional singer.

However, the young lady prefers her boy friend to a career, and the situation grows complicated, particularly as Dudley cannot marry the woman of his choice until his sister is safely out of the house. It is all good fun, with a happy ending, in which Hunter Gardner, Emily Ross and Pauline Orell have the leading roles, and Martha Morton, Margaret Barker and John Griggs appear in important parts.

"Your Uncle Dudley" has proven hugely successful in New York and Chicago, where it has had long runs, and is a new release for other companies. It is another hit by the authors of "Tommy" and is packed with fun and laughter as that other refreshing comedy of American family life.

### WILSON THEATRE

The Wilson Theatre, Detroit, the week beginning Sunday, May 11, with matinees Wednesday and Saturday, has an extraordinary attraction in Charlotte Greenwood, the linky comedienne of "So Long Letty" renown, who will appear in the farce comedy success,

"Mebbe," coming from Chicago. Following her Detroit appearances, Miss Greenwood returns to Chicago to resume her run which is scheduled to extend over the summer.

Bryant Washburn, noted screen star of "Skinner's Dream Suit" fame, and 10 other famous film folks appear in "Mebbe," which is not a talkie.

In "Mebbe" Miss Greenwood appears as a modern Fortina. It is a fast and furious farce written by B. M. Kaye and produced by Henry Duffy. She is Alice Hindale, private secretary to a lawyer, whom she secretly loves. Assuming the name of Poretta Johnson she, masquerading as a woman lawyer, goes to a small town to defend an elderly banker in a breach of promise suit. Then she discovers her employer has been engaged as the opposing counsel.

Out of this situation Miss playwright has evolved a continuously hilarious story.

In addition to Miss Greenwood and Mr. Washburn, the cast includes such familiar figures of the stage and screen as William H. Turner, Edward McWade, Jane Morgan, Eddy Waller, Doris Brownlee, Wilbur Higby, William Bolyns, Stanley Taylor and Tom Burke.

### Graham Features A Spring Showing

A nation-wide spring showing of new Graham cars, of the various models and body types which comprise the Graham line, is being staged by Graham distributors and dealers throughout the country.

This Spring display features the recently announced low-priced sedan model on the standard six chassis," said Ed. Walke of the Birmingham Motor Sales. "These are the four-door, four-window Town Sedan, and the four-door, six-window Universal Sedan, which share with all other Graham sixes and eights, the distinctive safety feature of laminated shatter-proof plate glass in every door and window, as well as in the windshield.

Notable in the exhibition, however, will be the special Graham sixes and the standard and special eights, with all bodies, engines and chassis built in Graham plants.

So that a complete picture of what Graham has to offer may be gained, we have placed at the disposal of the public an opportunity to drive Graham cars as well as to inspect them on the floor at the spring showing.
