# The Birmingham and best of all

## THE PLAN IN BRIEF

The object of this big distribution is two-fold: primarily to increase the already large subscription list of The Eccentric; to introduce the paper to new readers in the territory for which Birmingham is rightly the hub, to collect advance subscription payments from present and new subscribers, and at the same time to afford our friends and readers an unparalleled opportunity to profit,—and in a big way—through their spare time during the next few weeks. So, it is a plan that works both ways, to the ultimate good of all concerned.

In order to gain this end quickly and advantageously, the most valuable and attractive list of prizes ever offered by a local newspaper in this section of the country has been made ready for distribution among those who participate most heartily. Ambition and energy are the only requisites for success.

The plan adopted is the fairest and most impartial conceivable and is straight-forward and simple and is fully outlined in this announcement.

Let it be understood at the very outset that this is not a "beauty" nor "popularity" contest, but strictly a legitimate, competitive proposition for enterprising men and women, boys and girls of this vicinity, and one in which no element of chance enters. One feature of the competition is the fact that there will be no losers in this race.

## HOW TO ENTER THE CAMPAIGN

The first step, in order to become a candidate and compete for a prize, is to clip the nomination coupon appearing in this issue; fill in your name and address and mail or deliver to the campaign department of The Birmingham Eccentric. This coupon entitles you, or the person whom you might wish to nominate, to 5,000 FREE votes. These votes are given you as a starter, and speed you on your way to win. Only one such nomination coupon will be accepted for each candidate.

## HOW VOTES ARE SECURED

The next step is to call or write the campaign department for a free working outfit, consisting of a special receipt book, sample copies of the paper and other information relative to launching an active campaign.

Thus equipped you have but to go to your friends and neighbors, relatives and acquaintances, and have them pay up a subscription to The Birmingham Eccentric through you. THAT'S ALL THERE IS TO IT. However, you will never win anything unless you make the start; and while it will not be a very difficult matter to capture one of the big prizes, nevertheless you should start at once. You must plan out your campaign the same as any successful business man plans out his work, and above everything else let no one discourage you, but stick to the finish. Anything worth having is worth striving for. A few short weeks and you may be riding in your own automobile.

It takes votes to win and votes are secured in two ways: First, by clipping the coupons appearing in each issue of The Birmingham Eccentric. Begin by gathering them now. The only restriction placed on coupons is that they should be deposited at the campaign department of The Eccentric on or before the expiration date printed thereon. Get your friends saving these coupons for you—they all count.

The other, and faster way to get votes is by securing new and renewal subscriptions to The Eccentric. On each subscription turned in a certain number of votes are issued, the number varying according to the amount paid and during which "period" same are received at the campaign department. (See schedule of votes elsewhere.) So, you see, the more subscriptions you secure the more votes you can get and the better your chances are to capture one of the grand capital prizes.

## NOTICE TO THE PUBLIC

The Birmingham Eccentric is giving this mammoth election and the management of this newspaper guarantees absolute fair and impartial treatment to all who participate.

This is easily the most worthy and most liberal prize offering ever made the newspaper reading public of this district, and it now rests with the enterprising hustlers to get busy and get their share of the good things offered. This is YOUR opportunity to secure, without one penny of cost, prizes which would ordinarily take months, even years, of self-denial and saving to acquire and here they are offered to you in exchange for just your spare time and effort during the next few weeks. It will behoove prospective participants to enter their names NOW and be among the first in the field. Remember, EVERYBODY WINS in this great distribution, and your prize can be just as great as you wish to make it. It is truly the best spare moment business proposition ever offered our readers.

# EVERYBODY WILL

All prizes: Gold, silver and automobiles to be given away absolutely free to everyone who comes to share in the distribution. It costs you nothing now or ever—it is not even a chance—it is guaranteed either a cash reward or an automobile. Cut out the nomination coupon and enter your name.
