Model-"E"
At a new
LOW PRICE

Now ALL can Enjoy Dependable, Economical Oil Heat

FOR WARM AIR, STEAM AND HOT WATER HEATING SYSTEMS—OLD OR NEW HOMES

Here is the most important heating news since the development of the first practical oil burner. Now, practically ANY family, no matter how modest its income, can enjoy the wonderful comfort and luxury of Silent Automatic Oil Heat—not some day—but RIGHT NOW! The same type of utterly dependable and economical heating service now being delivered in thousands of residences by the famous Silent Automatic Model "A" is available to the medium sized and small home at correspondingly lower price.

We cannot emphasize this fact too strongly—the new Model "E" differs from its famed big brother ONLY

in size and capacity. There is no compromise at any point in quality of materials and workmanship. It is introduced only after three years of development work and testing have absolutely convinced a super-critical engineering and production organization that Model "E" is in every way up to the highest Silent Automatic standards—in performance, economy and dependability.

Simply phone or mail the coupon—NOW. Without obligating you in any way, a Silent Automatic representative will gladly call and explain how the new Model "E" can be installed in your present heating system... quickly and at small cost.

MODEL "E"
\$295

A \$19.00 deposit will install this oil burner in your home.

Manufactured by the World's Largest Producer of Domestic Oil Burners

In Pontiac, Birmingham and Detroit, price includes complete installation of burner. Oil storage tanks are in addition. In other cities, a nominal installation charge is made, depending on local conditions. All Silent Automatic Models may be purchased on very favorable time payment terms.
