

# JUST AMONG US GIRLS

Grandma took 50,000 steps a day—but the modern woman knows how to save steps—I imagine its because she sits out more dances than they used to.

## When to Be Nonchalant

By CLIFFORD McBRIDE

When you are trying to take a photograph of a house from a busy street and taxi drivers, collegiate speeder and unsportsmanlike drivers try to see how close they can shave you.

# ETTA KETT

After Doc convinced that he had used all the money from the class treasury, Snoopie didn't lose any time in broad-casting it. The class officers have met to look into the affair.

## A Telephone Is Protection!

Most of us encounter times when we require help—quickly. Perhaps it is sickness and a doctor is needed; it may be fire or other emergency.

Your telephone is always ready to summon assistance instantly.

It is a safeguard to your home, and although you may never have urgent need for it, your telephone gives you a sense of security.

You cannot afford to be without telephone protection in your home.
