## When the Occasion Arises

that you need an Undertaker, it is then you will appreciate the more that, besides being able that, besides being able to procure the necessary furnishings at an expense to suit your wishes—the appointments will be high class, and the obsequies carried out with that dignified solemulty so do. fied solemnity so de-sired and yet so lacking in most present-day funerals.

We have the reputation of being without a peer in carefully con-sidered equipment and sympathetic and appro-priate procedure.

"I just don't know what to get for John and the children during the warm weather. They just don't seem to know what they want and they pick and nibble

"If f could only discover where I could buy a variety of something different and appetizing, some store that really special-ized in tempting foods, why then I-know that I could overcome this warm-weather problem of what to prepare for

"Really, Jane, this worrying about meals takes the pleasure out of the day's work."
