Our Appointment as Distributors of COPELAND Dependable Electric Refrigerators

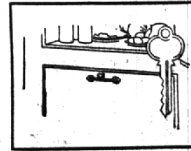

Model A-55. Convenience, dependability, and remarkably moderate price distinguish this new Copeland. Also A-45 and A-66

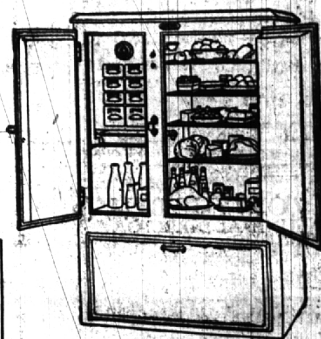

Coldial—For faster freezing of ice cubes and desserts. Instantly accessible. Provides seven freezing speeds. Standard on all Copeland household models.

Water Chiller—The exclusive Copeland system for cooling drinking water. Large reservoir with accessible filler and faucet. Standard on De Luxe models; available on other models.

Locked Mechanism Chamber—Keeps children and servants from tampering with mechanism; yet leaves unit readily accessible. Standard on all models.

Model D-11. A large, luxurious model, worthy of the finest home. Has all Copeland features. Three other De Luxe models.

We take pleasure in announcing to the public our appointment as distributors of Copeland Dependable Electric Refrigeration for this city and vicinity—and we also take pleasure in inviting you to call and examine the brilliant new Copeland models now on display in our store.

As you probably know, Copeland is one of the oldest and most highly respected names in electric refrigeration. Copeland equipment has been manufactured and sold for many years, and each year has seen an advance in Copeland values and an increase in the number of Copeland users.

The new 1930 Copelands embody many notable refinements. They introduce the exclusive Copeland Water Chiller—an

Other Copeland Refinements

All-Porcelain-on-Steel Cabinets with electric lighting, optional colored tops, and heavy chromium-plate hardware—Bar-type shelves—double-depth dessert drawers, and Coldtray for crisping salads are among Copeland's other quality features.

instantly accessible Coldial with seven ice-freezing speeds—Locked Mechanism Chamber—Electric Illumination—Optional Colored Tops—All-Porcelain-on-Steel Cabinets, and increased efficiency, quietness and economy of operation

... all in addition to the numerous features for which Copeland already is famous. They reach new heights of dependability, convenience and completeness. And they are available at remarkably moderate prices.

Call at our showroom today. Examine the new Copeland models. Learn about our convenient purchase terms. You will find it surprisingly easy to purchase the Copeland of your choice and enjoy dependable food preservation!
