Beautiful Period Designs—

Vulcan

Swedish Iron, with shades of ir-regularly formed bubble glass, opaque enough to give a soft comfortable light.

Canterbury

Swedish Iron enlaced by crests of Old Brass with bars of dull red.

Salem

Quint off-fold design, clear glass chimney, Pewter and Brass finish.

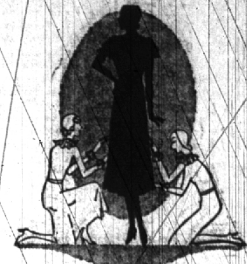

Modernistic

Charmingly decorative both day and night. The glass components are in French Crystal, Honey-Jade and Jade.

WAGNER ELECTRIC

Service and Maintenance Engineers - Telephone 168

The WABEEK SHOPS

Charles R. Taylor

Announces the Pre-Winter

SALES of HOOKED RUGS and ANTIQUE GLASS

RUGS: The entire stocks, nothing excepted, offer savings seldom realized. Large sizes, runners and small rugs are in great numbers for selection. New arrivals (and included) have pleasing floral and geometric designs. Exquisite treasures from the eastern provinces of Canada.

GLASS

Immensely varied types of antique glass, of a practical or semi-precious nature. Especially reprinted groups offer unusual values.

SPECIALLY

REDUCED

DURING NOVEMBER ONLY

LAST WEEK there were 1334 elevator passengers to Wabeek offices, and hundreds more were served at the shops and stores.

There is evidence of an ever-increasing patronage by persons who appreciate quality in merchandise, convenience, and the harmonious surroundings.

A Beauty Service that is not only complete—but Individual

Marceling, water and permanent waving, manicures, facials, and all the Beauty Services await you here. But more than that, we analyze each skin and furnish Luzier's sunscreens, creams, powders, rouges, and other items that are best adapted to the individual condition.

What Shall We Eat?

There was a time when little thought was given to the matter of diet in America.

But a new day has dawned. Science has taught us that food is fuel. Men are learning to eat for efficiency. Mothers are learning the relation of foods and feeding to the health and development of their children.

We're learning now to eat to live
