Everywhere you go, you will hear glowing tribules to the new Nash. Some refer to the car's smooth, flashing speed and delightful ease of control. Others stress its finer beauty and luxury. All marvel at the wholly unexampled value. Beyond these tributes, there is the unmistakable fact that every one who rides in of drives the new Nash desires to own it. WE USE **IVORY SOAP**

We have inaugurated this new p and it is working out beautifully—our patrons are enthusiastic about it.

Ivory is the soap the most fastidious housewife would use in her own home if she personally did her own laundry work.

We chose it because it is in keeping with the Modern Laundry policy to use the most approved and advanced methods.

lvory's safety is matched only by its ability to launder everything beautifully. The use of Ivory Soap exclusively adds 50% to our soap cost but not a penny to your laundry bills.

Start today to enjoy the peace of mind of "Ivory-washed" clothes. Phone for a Modern Laundry pick-up man to call. A representative in the Birmingham territory everyday.
