# SERVICE STORE

for

# BIRMINGHAM MOTORISTS

**T**OMORROW will be a big day for all Birmingham motorists. Once again I will be back at my old location ready to serve you; but with far better service than I was ever able to render before.

**T**HIS beautiful new station, made possible by the increasing patronage of Birmingham Car Owners, is the crowning success in my life of automobile service. I am proud that I am now able to bring complete One-Stop Service to Birmingham.

**H**ERE you will find complete and economical service rendered by a skilled organization working with the most modern machinery and equipment. The results of intensive study of modern automobile service requirements are reflected in improvements and better service facilities built into this new station. Services are directed by trained men and every piece of equipment is new.

**Y**OU ARE cordially invited to visit and inspect my new store during Opening Week, from November 21 to 29. I shall consider it a privilege to demonstrate how the new service facilities and specially trained organization enable us to give your car the finest possible care—and at no extra cost to you.
