SCHOOL PLANS HELD

Geo. C. Booth Donates Land For Building On Vaughn Rd. MUST APPROVE PLANS

Construction will be started in the near future for a new school for the Bloomfield Hills district, to be situated on the Vaughn road, and to accommodate 150 pupils. The school will cost about \$70,000, and will be of brick fire proof construction throughout. It will be one story in height, with a pitched roof, and will contain three classrooms, a kindergarten, and a library.

MEETING HELD BY OLD TIMERS

George G. Booth has agreed to donate the land, and the deed is now in process of transfer. Before construction can be begun, the plans must be approved by the state superintendent and submitted to the voters, who must pass on the additional expense to the district that building the school will involve. Contracts also must be let. Mr. John T. Shaw, a member of the board explained.
