TWO TOUCHDOWNS scored in the last quarter broke a 7-7 tie and won a hard fought contest for Cranbrook over Holly High School at the Cranbrook stadium last Friday. The visitors put up an even battle for three quarters of the game, but the Blue and Gray's superior physical condition finally wore the losers down in the final period, and left Cranbrook at the long end of a 20-7 score.

Cranbrook started off auspiciously, receiving the ball on the 25-yard line and line plays to Holly's 25 yard line. Here the defense stiffened and Holly's

... took the ball on of last quarter snap, Raymond carry the ball over from the yard line. No extra point was scored.

On 2-yard Line

Then came the crisis of the contest, when Cranbrook recovering a Holly fumble on the 30 yard line drove to within 2 yards of the goal. Two plays netted no gain, and the 2-yard line was penalized 5 yards for offense. They made this up, but the visitors held on the 2-yard line with some great defensive play, taking the ball on downs. Then Renaud intercepted a Holly pass on Cranbrook's 20-yard line. The visitors' pass from Rauch to Raymond here Miller carried the ball over without being stopped, but the score was ruled out because Cranbrook backs had been in motion before the ball was snapped. The next play, however, made up for penalty and goal when Rose passed to Miller who caught the ball over the goal line. Miller also carried the ball over for the extra point.

Passes Feature

Considerably lighter playing featured the following two periods. Holly executing some pretty passes which brought them well down the field. A threat to score was foiled by Rauch who intercepted a Holly pass on Cranbrook's 20-yard line. The visitors' vigorous thrust for goal. Both rushing and passing, in which Rauch, Holly fullback featured, brought the ball to Cranbrook's two-yard line from which Rauch carried it over and then evened the score 7-7. Before the half ended, however, Cranbrook started a counter attack which brought the ball from their own 25 to Holly's 25-yard line. Two passes, Rauch to Raymond and Raymond to Harriet accounted for most of the game.

Holly showed good sense in finding Cranbrook's weak spot however, soon forcing Rauch, although the third period brought no scoring, both teams played as good games with the visitors having a slight advantage. Toward the end of the period, however, Cranbrook carried the ball well into Holly territory, and the start

## SWIMMING TEAM BEGINS TRAINING

Engel Puts Candidates Through Workouts For 1930-31 Season

Under the guidance of Coach E. T. Engel, the Baldwin High School swimming team is practicing weekly in preparation for the 1930-31 swimming season, the first for Birmingham, beginning about Dec. 10.

The only meet scheduled for before Christmas will be with River Rouge, according to the coach. River Rouge has a strong team, one member of which is national champion in the 440-yard free style event. Approximately 10 meets will be scheduled for the season, which will end with the Southeastern Athletic Association and State meets.

Although this will be the first season in the tank for the Maroon and White, Coach Engel is optimistic about the swimmers being prepared for competition. A complete schedule for the season is under completion and will be made public shortly, Mr. Engel says. Meets will be held Friday afternoons, according to the present pool schedule.

## JUNIOR VARSITY TIED BY BERKLEY

Reserves Hold Cranbrook Youngsters, 12-12 In Game On Thursday

In their second game of the season played in the Cranbrook stadium last Thursday, the Blue and Gray Junior Varsity was held to a 12-12 tie by the Berkley High reserves. The visitors' overhead attack proved too much for the Cranbrook boys after they had come from behind in the third quarter.

Berkley started the scoring in the second quarter when a Cranbrook pass was intercepted by Jenkins who ran 40 yards for a touchdown. The extra point failed. Cranbrook came back stronger in the second half and scored twice during the third quarter. Lynch and Beaudette shared scoring honors for the home team.

Things looked well for Cranbrook until Berkley opened up with well-executed passes in the last period. With the ball on Cranbrook's 40-yard line the visitors made a beautiful 25-yard pass which resulted in the touchdown. Today Cranbrook meets another stiff test in Pontiac Eastern High, the game being played at Pontiac. Coach Wenger has revamped his team and presents several new players in his first string line-up.

## Cranbrook Plays Howe Saturday

First Football Contest Between Schools In Feature of Schedule

One of the high points in the Cranbrook football schedule will be reached this Saturday when the Blue and Gray eleven plays the Howe Military Academy at Howe, Ind. Not only will this game be played away from home this fall, but also the first time these two schools have met on the football field. Last spring the Howe baseball nine was entertained at Cranbrook.

With a clear record so far this season, Cranbrook hopes to take this all-important game. Coach Harlow and his assistants, Messrs. Harlow and O'Brien, have been working on the team until forced to withdraw on account of injuries; now he has returned in good shape and will be groomed for the position in the line.

A squad of 25 or 26 men will leave Bloomfield Hills on Friday afternoon on the trip to Indiana. Thursday will be the last practice on the home field, and the early start will enable the boys to get a good night's rest before the contest. Mr. Harlow has announced that his lineup will in all probability be the same as that which started against Holly last week. In addition to the three coaches, the team will be accompanied by Melvin C. Hart, principal of Baldwin high school, journeyed to Lansing Wednesday to confer with officials of the Michigan Education Association relative to the book of which Mr. Hart is principal. According to Mr. Hart the book will be ready for distribution at the time of the Michigan Teachers' Annual Meeting to be held in Lansing in December.
