

WIS OF BALDWIN H. S. And Other Schools RID LINE-UP T CRANBROOK ANNOUNCED

and Fred Ward are experienced tacklers while the guards, Leigh Lynch holds a berth from last year, and Dave Gillis, the only new man on the line, comes up from the junior team.

George Drvin will again be center and in the backfield the four men chosen for the starting lineup present a formidable combination. Capt. Bill Rose heads the list with Tom Raymond and Len Miller as teammates from last year. The team has also been strengthened by the addition of Henry Kauch, former backfield star at the Hill School.

Intensive scrimmages and signal practice has featured this week's training. So far however, there has been only one opportunity for the coaches to see their charges in action against an outside aggregation. Last week Messrs Kappel, Harlow and O'Brien arranged for a practice game with a team of ineligible ex-high school players from Detroit. The boys from the city put a powerful combination on the field, well-trained and experienced. The Cranbrook team while defeated, 6-0, put up an excellent scrap and the coaches feel confident that the showing made has enabled them to remedy certain weaknesses and put the finishing touches on what should be a first class team.

MELVINDALE FIRST TO FACE JUNIORS

Cranbrook Will Be Seem Opening Football Game Today

Opening what promises to be an extremely hard schedule of football games, the Cranbrook Junior Varsity will meet Melvindale High School Juniors at Cranbrook this afternoon. Judging from the experience of last year, the Melvindale crowd will provide some of the best opposition on the senior's program, and Coach Wonnberger has been working his team hard in preparation for the encounter.

Far from being in the fortunate position enjoyed by the Varsity coaches, he finds his material somewhat depleted both by promotions and injuries. Hard work on the field has been succeeded by the learning of several new plays, and this week has been characterized by some good scrimmages with the Varsity reserves and the "B" squad.

Work in the senior operaetta which has just been announced by Miss Mae Brumsted, director of vocal music in the Birmingham public schools has been started and the cast together with a short synopsis of the play will be announced at a later date after the rehearsal has been held at the evening of Feb. 5.

Miss Brumsted, in commenting on the operaetta says: "I believe that this play will be the best at least one of the best that any Baldwin high school senior class has ever taken part in."

Work is starting immediately on the production and tryouts for the leading parts in the play will be held in the near future. There are 18 parts in the opera.

Teachers Relate Vacation Travels

At the general teacher's meeting held at the Baldwin high school Monday afternoon, reports were given by one teacher from each school concerning their work and vacation this summer.

Miss Emily Walker of Baldwin high school reported her experiences at the University of Colorado, at Boulder, Colo. Miss Anna Ellole, Pierce school, and Miss Lydia Terrill of the Barnard Normal from Professor Eliot was given by Mrs. Mary Binkle of the Quorton building. F. Morse Cook, principal of Adams school, gave an interesting account of his travels during the summer when he and Mrs. Cook toured more than 10,000 miles throughout the west.

BOYS IN PRINT SHOP ENJOY WORLD SERIES

Villageers in Birmingham who current world series probably would like to study printing in the Baldwin high school where the boys in the afternoon classes have listened to all of the world series games that have been broadcast with Lou. "explained the magic that evening as the players sat around the ferrite board, counting their winnings and losses. Jack Lynch, who played against him during the afternoon, watched the position of the hands on his strokes—his second being a rather bumpy caddy who made no extra charge for advice.

Harry S. Starr, president of the Exchange club and now the recipient of considerable honors for his newly found singing talents, beat out his Rotary opponent, Latta W. Porter, 92 to 93. Elmer C. Huston and Ralph Mouthrop enjoyed each other's company over the course, the remainder of their foursome being Tunis W. Miner and Charles L'Honnmedieu. One of these four (guess who) is said to have asked Tom Neal when they would fill up all the holes and thus complete the golf course.

At LaBelle, Frank J. Mulholland, John Maynard, and Bob Akers, all of them rotarians, apparently are such good golfers that no Exchange would play with them, so they made up their own foursome. The scores of three of them are unascertainable, it being LaBelle's belief that they ran out of sufficient paper upon which to add their totals.

These and many other accidents crop into the day's outing, most of which would add gaiety and solemnity to the record of the event. However, here are the names and the scores of the ten lowest scores on each side:

Exchange Club: L. J. Shusser, 89; Guy Jensen, 89; Dr. N. T. Shaw, 92; Harry S. Starr, 92; Ralph Wilson, 95; Charles L'Honnmedieu, 95; Ralph Mouthrop, 96; Don Daron, 98; Cy Osborn, 99; and Oscar Peterson, 95.

Drama Club Rules Read To Members

The new members who have been admitted to the Baldwin high school Dramatic Club were made acquainted with the group's constitution when the charter was read to the new members at the meeting of Tuesday evening in the literary study room.

Six girls, Betty Neal, Janet McCarthy, Fernina McGovern, Eleanor Wassey, Marjorie Phillip, and Lucille Lowman are the club's first members.

In the near future according to the president of the Dramatic Club, Miss Brumsted, the club's program will be started on the publication.

TEACHERS HOLD ANNUAL BANQUET

The annual banquet of the Birmingham Teachers' club was held Wednesday evening at the Community home with the education committee in charge of the program. F. Morse Cooke, principal of Adams school, is the chairman of this committee.

Group singing led by Melvin G. Hart, principal of Baldwin high school, began the program and a discussion led by H. T. Ellerby, former village president, followed. Mr. J. B. Howarth, and Mr. David Laidl also conducted discussions.

The Baldwin high school girls club, under the direction of Miss Mae Brumsted, sang three numbers which were followed by a discussion conducted by Mrs. Fred D. Farrar. The Rev. Warren Forsyth concluded the general discussions and H. Earle Corvett, the club's president, announced the program of coming events.

The committee in charge of the program, besides Mr. Cooke, were Paula Hartman, Eleanor Marchant, Ernest Emmerston Bouldry and Helen Gross.

VARISITY CLUB TO HAVE PINS

The Baldwin high school varsity club is busy securing money from members to obtain pins for each active member in the club.

At the meeting held Wednesday it was decided that only active members could in the future have any voice in the voting and the annual initiation was scheduled to take place when those members who have been initiated decided Thursday a number of new members who have won letters in minor sports were admitted to the club.

The pin which the group has decided to wear is in the form of a maple leaf with a large white "B" on a maroon background. The pins will be delivered as soon as a half of the necessary amount of money is secured.

DEARBORN TOPS MAPLE HARRIERS

A strong Baldwin High School cross-country team managed to hold the Dearborn harriers, last year's State champions, to a 21-30 win over Birmingham in the season's first meet here Saturday afternoon. The meet was run between halves of the Birmingham-Port Huron football game.

Dearborn is probably the strongest team in this district, having won the championship at the State meet at East Lansing last fall. Baldwin's holding of the stronger team to a tiepoint victory is considered by Coach Franklyn Whitney an indication of a good season. This Saturday's opponents in cross-country as well as on the football field will be River Rouge, which is not so strong a team as Dearborn, and Coach Whitney, who says the Baldwin team was not pushed to its utmost Saturday, looks forward optimistically to the Saturday meet.

Virgil Owens was the first Birmingham man in, placing fourth. Birmingham took fourth, fifth, sixth, tenth, eleventh and twelfth places.

Captain Emery and Hagelithorn, both of Dearborn, tied for first place, with time of 8:26, 22 seconds before a Maroon and White runner crossed the line.

Summary: L. Emery (D) and Hagelithorn (D) tie; Hayes (D), Owens (B), Canever (D), Gosel (B), Wike (D), Taft (D), Merryman (D), Conwell (B), Ward (B), Bevan (B); Time—8:48.

Crippled Children To Be Entertained

Children from the Royal Day Clinic for crippled and underprivileged children will be entertained with an informal Halloween party at Cranbrook School tomorrow afternoon. The affair, which is being made possible by the interest of Mrs. William O. Stevens and Mrs. Harold L. Wallace, will be similar to the parties given at the school for the group of children in past years.

"Surely, I Always Go There"

"Since we moved to Birmingham, we take our car to the West Maple Service Station. You know, it's the one just across from the Wabeek building.

"It's so conveniently located, and the service there is so dependable, that now all we have to do is drive. We stop regularly. They keep a record of the attention given our car, and really take away all up-keep worry.

"And, too, my husband insists on good gasoline and oil. He says they sell only the better grades."
