

Does Your Present Printer Do All This?

and not charge you extra for it?

Every buyer of printing at The Birmingham Eccentric is invited to make use of a special department which will assist in the layout and writing of copy; be it for letterhead, office form or direct-by-mail advertising, and there is no charge for this extra service.

What is the best kind of type to use for your particular business? What nature of set-up will most effectively convey your business personality? Which is the right form to use? Is my present printing satisfactory? These questions are quickly answered within this organization.

Are you planning any direct mail advertising? How will you EXPRESS THE IDEA? Words, words; but how to use them most effectively? That is another service that we offer as printers. We will PLAN AND WRITE a complete campaign for you.

If in the future you may wish to enjoy the convenience of a COMPLETE printing service phone the largest combined printing and publishing plant in Oakland county for a representative to call upon you.

Schedule Revised, Public To Be Admitted During School Term

The Barnum swimming pool was reopened yesterday under a revised schedule, after having been closed for the past two weeks for drainage and cleaning in preparation for the opening of school. After some discussion, it was decided to keep the pool available for public use free of charge at least during the next semester, except for the five cent levy for soap and towels.

The schedule adopted provides as far as possible for all groups desiring to use the pool at the hours most convenient to them. It is the result of planning on the part of George Engel, director of the pool, Louis Randall, business manager, and Clarence Viet, superintendent of schools, and was passed unanimously by the Board with the understanding that any changes that may seem practicable in the light of experience may be adopted.

Men will use the pool between 9 and 9:30 p. m. Mondays and Thursdays, and women, at the same hour Tuesdays and Fridays. Boys will be allowed its use between 7:30 and 8:30 p. m. Mondays and Thursdays, and girls, at the same time Tuesdays and Fridays.

During the remainder of the time it will be open, special groups will be extended its privileges, as follows: Monday, 4-5 p. m., Adams Junior High girls; 5-6 p. m., Baldwin Junior High girls; Tuesday, 4-5 p. m., Adams Junior High boys; 5-6 p. m., Baldwin Junior High boys; Wednesday, 4-5 p. m., Barnum Junior High girls; 5-6 p. m., Baldwin Junior High girls; 7:30-8:30 p. m., girls' swimming teams; 8:30-9:30 p. m., boys' swimming teams; Thursday, Barnum Junior High boys; 5-6 p. m., Baldwin Senior High boys; Friday, 4-5 p. m., Adams Junior High and Senior High and meets; and Saturday, 9:30-10:30 a. m., Barnum and Pierce grade boys; 10:30-11:00 a. m., Quarton and Adams grade boys; 2-3 p. m., Barnum and Pierce grade girls; 4 p. m., Quarton and Adams grade girls.

Although when the pool was first opened, it was the intention of the board to make swimming a compulsory subject for every boy and girl, Mr. Viet has found by talking with school officials in Royal Oak and other places that such a course is not practicable. Instead, all pupils here will be encouraged to use it, and the pool will be kept open for one evening with a life guard and instructor, amounts to \$15.54, according to an estimate made by Mr. Randall at the board meeting.

(Concluded 1 from Page 1)

ence L. Smith for prosecuting Orr, of Big Beaver, incumbent, who polled 2,721 votes less than Smith. The final vote was Orr 13,121, Smith, 15,842. During the last few days of the campaign, Smith and his supporters carried on a vigorous battle to defeat Orr. The record of the incumbent was questioned and his alleged nomination in northern Farmington was branded as a publicity stunt. Yet Orr's support in Farmington township was easily overcome by the two to one vote for Smith in Pontiac. Sheriff Frank Schram was nominated for the fourth term, defeating William A. Wheeler, S. Lee Packard and James W. Simmons for the chance at the regular elections. The vote was: Schram 11,968; Wheeler, 10,644; Pack 7,322 and Simmons 828.

The county again nominated Burton P. Daugherty for county clerk with a poll of 15,923 against 10,852 for Harry M. Bogart, Mabel Bronidge received 5,850 to defeat Howard D. Smith for nomination as register of deeds.

Ellerby Loses
Harold T. Ellerby, Republican candidate for the state legislature from the first district, lost almost two to one to Melvin H. Lee for nomination. Lee received 8,016 votes and Ellerby 4,420. James Lawson and Elijah H. Howarth, ofoyal Oak, were close during the race most of the day but when the total votes in the county had been cast Lawson was nominated with a vote of 12,300 to Howarth's 8,968. Maurice Fitz-Gerald, of Milford, the third candidate, received 5,850 votes.

The intensive campaign conducted against Arthur W. Spencer who sought re-nomination as county drain commissioner, included the re-echoing of the Southfield Drain case, but Spencer's friends were too numerous and he was again nominated. The votes cast for the office were: Spencer 2,425; Lewis M. Wrenn 9,085; John E. Cross 5,033 and Claude Postiff 731.

Voorhees, Kimball Win
With eight candidates in the field for coroner, one of the most strenuous campaigns ever conducted for the office was witnessed when the last votes had been cast. J. Lee Voorhees, with 12,406 votes, and G. Dewey Kimball, of Birmingham, with 11,046, were nominated. Ora Farmer, who had held the office for 28 years, had aligned himself with Kimball and had obtained the endorsement of many of the county undertakers. The county gave the following votes to the other candidates: Farmer 9,850; Garnet M. Sparks 7,938; Alex M. Carr 2,417; Archibald C. Adams, also of Birmingham, 1,544; George W. Ashley 2,272, and M. Spears 2,283. Maurice E. Baldwin was re-

Nominee

Carr 68; Garnet M. Sparks 222; Voorhees 486. 50 and J. Lee Voorhees 486. Luthers D. Allen, of Bloomfield received 1,663 votes as against 308 for Frank Springsteen for nomination as County road commissioner. Baldwin was re-nominated as county surveyor. His total was 874. William R. Ransom with 459 and W. Howard Hopkins with 285, were the other candidates.

undertaker, added more to his southern Oakland County, total with 190 votes. Southfield, the largest number of votes any candidate received for the same office. Lewis M. Wrenn received the highest number of votes for County Drain Commissioner, polling 9,085 votes to his nearest opponent, E. Cross, his nearest opponent, and Arthur W. Spencer, who received 2,425 votes as a candidate for nomination to the office, received 16 votes.

Maurice E. Baldwin had no difficulty in carrying Southfield Township for the election as county surveyor. He received 136 votes. His opponents, W. Howard Hopkins, with 72 and William R. Ransom, with 50, had little strength in the territory. Luthers D. Allen won a decisive victory over Frank Springsteen in Southfield for County Road Commissioner. Allen received 213 votes to Springsteen's 128. Other candidates for coroner, seeking nomination for coroner, on the Republican ticket, received the following votes in Southfield Township: Archibald C. Adams, 37; George W. Ashley, 17; Alex M. Carr, 36; Ora C. Farmer, 123; Garnet M. Sparks, 49; J. Lee Spears 28, and J. Lee Voorhees 81.

Troy Aids Cousins
As in other townships in the county, Sen. James Cousins met little opposition from Troy voters. He received 871 votes to 162 cast for Oborn. Groesbeck's victory over Brucker by 278 votes further indicating the vote of the southern end of the county to the former governor's support. Groesbeck received 618 votes, Brucker 350, and Judge Edward J. Jeffries, 76.

Senators H. P.erson, with 414 votes, led Hudson for congressman from the sixth district by 100 votes. Melvin H. Lee, with only 462 votes, doubled the amount received by Maud Slucom Moross. Troy township expressed a similar faith in Norman C. Cook for prosecutor, as was shown by Bloomfield and Southfield townships. Orr received 202 votes, 332 cast for Clarence L. Smith. Sheriff Frank Schram led William A. Wheeler by 119 votes, receiving 462 votes. S. Lee Pack received 206 votes and James W. Simmons received 117 votes.

Ellerby Beaten
Two of Birmingham's entrants in the field for nomination to office, were defeated by their opponents. Melvin H. Lee defeated H. T. Ellerby, 526 to 366 for representative in the state legislature, first district. Archibald C. Adams, Birmingham undertaker, received 432 votes for coroner while G. Dewey Kimball, another Birmingham undertaker, obtained 486 votes, the greatest amount cast for any candidate seeking nomination as coroner in Troy.

James E. Lawson won over Elijah B. Howarth and Maurice Fitz-gerald for state senator. Fitz-gerald defeated Lawson, 621 to 503 cast. In the race for nomination as state governor, Melvin H. Dickinson received 438 votes, Thomas Reed 223, Ethan W. Thompson 110, and Fred M. Been, 108.

Votes cast in Troy Township for other county offices and the winners in that township follow: County clerk—Daugherty 526; Bogart, county treasurer—Albert W. Willson (unopposed) 332; Register of Deeds—Mabel L. Bronidge 609; Howard D. Smith 337; Circuit Court Commissioner Harry J. Merritt 652; Earl L. Phillips 497; Drain Commissioner Arthur W. Spencer 202; John E. Cross 344; Claude Postiff 27, and Lewis M. Wrenn 214. Other candidates for coroner received the following number of votes: George W. Ashley 60; Alex M. Carr 80; Ora C. Farmer 115; Garnet M. Sparks 193; M. L. Spears 32, and J. Lee Voorhees 152; county surveyor—Maurice E. Baldwin, 475; W. Howard Hopkins, 182 and William R. Ransom 188. Luthers D. Allen, candidate for re-nomination as county road commissioner, polled 588 votes to defeat Frank Springsteen, who received 354 votes.

direct route, was authorized by the commission several weeks ago. Although the new main does not serve any houses in the immediate district and it is doubtful if the Derby Well will be put in operation in the immediate future because it is not needed, the construction of the main will be of great benefit to the village and will be available for use at any time, Mr. Parry declares.

FAST SERVICE

Most repair work is done in our own backroom. This saves you a great amount of inconvenience. If you can't have it right away it'll be soon after.

PETITION MADE TO CUT TREES

A petition to cut down two popular trees in front of 899 Southfield avenue, was made to the Village Commission Monday night by Mr. and Mrs. F. W. Lawrence, of that address, who complained that the roots of the trees have grown into the sewer and water mains and have caused the sewer and water mains to become blocked.

Upon the motion of Commissioner Robert E. Allen, the Commission set Monday night, Sept. 22, as the date for the hearing on the petition. At that time communication to the commission, Mr. and Mrs. Lawrence explained that the sewer and water mains to be cut were located in the vicinity.

started last spring. For long the need for adequate sanitary facilities has been felt, and the new building is well calculated to fill the bill. Situated in the northeast corner of the school group, the new gym contains a large floor area, accommodates several basketball games at one time, an indoor track, and a number of rooms for the use of the building connects with the gym by a passage way.

Though not yet completed, the gymnasium needs only the finishing touches to be put in working order, and will be ready for use long before the cold weather arrives. Another addition to the athletic layout is a set of eight cement tennis courts situated near the northern end of the gym. These courts have been so constructed that they may be flooded in winter to afford a number of hockey rinks, and so serve the school with an easily flooded and dependable arena. The dormitory has also been enlarged by the addition of a new wing which will house both boys and masters. A feature of this wing is that the housekeeper apartments for married masters.

About 230 boys are to register at the school next Monday, Sept. 15. They will be welcomed to the school with a specially prepared party and entertainment for the former members of the faculty who will be missed this year are Capt. J. Pollock who has retired from active teaching; Stevenson, S. Webster, and Maud Hawkins, both of whom have left to take up work in the East.
