SOCIETY IN BIRMINGHAM AND THE HILLS

BY SALLY KNOX

Departure of Younger Set For Schools Begins This Week

Just as the first week in September is socially significant because of the return of a large number of local residents from summer homes and trips abroad, so are the second and third weeks of the month particularly marked by the exodus of its young people to schools and colleges of this state, the East, and the South.

Miss Barbara Stecker, who was graduated in June from the Baldwin High School as salutatorian of her class, left Monday morning, accompanied by her mother, Mrs. Anita Stecker, of Pilgrim avenue, for Sullins College, at Bristol, Va., where Miss Stecker will matriculate as a freshman.

Miss Mary Pyle will attend Fairfax Hall, for which she left Monday with her mother, Mrs. L. N. Pyle, of Euclid avenue. Mrs. Pyle returned home last evening. Virginia is a popular state with Birmingham's young men and women this year, apparently. Tim Neal, Jack Spohr, and Burns Holme are all entering the University of Virginia, at Charlottesville, Va. Herbert Nigg, Jr., and Warren Brown will attend the Fishborne Military Academy at Waynesboro, Va. Miss Jane Stolberg will also leave for Sullins College, Miss Mary Hutchinson will enter Sweetbriar College, and Miss Betty Brede and Miss Katherine Mann will matriculate at Hollins College which is in West Virginia.

MISS BARBARA STECKER

Leave Week Earlier

Miss Barbara Hill, of Westchester Way, who attended the Birmingham School for Girls last year, will depart Sept. 22 to enter the University of Michigan as a freshman. Other freshmen there from here will include Miss Beatrice Green, daughter of Mr. and Mrs. L. G. Green, of Townsend street, Thomas Ellerby, and William Sabom. These students are leaving a week earlier than the upperclassmen in order to be present for Freshman Week.

Miss Frances English, daughter of Mr. and Mrs. Richard G. English, of Cranbrook road, will leave Sunday for Wells College, where she is a senior student. Miss Ruth Endicott, who is a senior at Vassar College, will resume her studies there shortly. At present she is visiting relatives and friends in the East.

Miss Betty Kidder will leave Monday to begin her college career at the University of Wisconsin, and Miss Claudine Craig will depart Sunday for Olivet College, at Olivet, Mich. Ray Mix left Tuesday morning for Michigan State College, where he is a sophomore, to practice with the varsity football team, before the opening of the fall term.

Miss Vadne Scott and Reed B. Scott, daughter and son of Mr. and Mrs. Don O. Scott, of Pilgrim road, will leave today for their respective schools—Miss Scott to Oberlin College, where she will be a freshman, and Reed to the Lake Forest Academy, at Lake Forest, Ill. Leland Gunn, who last year studied architectural engineering at the University of Detroit, will this year be a sophomore at the Mississippi A. and M., near Starkville, Miss., where he will study civil engineering. He left yesterday.

Among the other students who will leave soon are Miss Joy Stewart, who will enter Ohio Wesleyan College, Miss Virginia Thomas, who will go to Queen's College at Kingsville, Ont., and Roger Brown, who will go to Dartmouth College.

CALM HAMPERS SAIL BOAT RACES

Final Contests Are Scheduled To Be Held On Friday

The men's sailing races at Orchard Lake this week-end were somewhat hampered by the calm. One interclub race between Lake Angelus and Orchard Lake, however, was held at Lake Angelus after lack of wind had necessitated the cancellation of the first race. In this, Lake Angelus was victorious with a score of 55½-50. Orchard Lake is still the season's winner with five out of seven victories to her credit.

Men's championship races of the club had to be postponed because of the calm. Women's races were held Labor Day morning, Friday afternoon, Saturday morning, and Monday morning. Mrs. Hugh Hitchcock is now leading, with Mrs. F. S. Strong Jr., a close second.

The final race will be held Friday. Women who qualified to participate in the championship races, besides Mrs. Hitchcock and Mrs. Strong, were Mrs. Robert F. Grindley, Mrs. C. T. Van Dusen, Miss Janet Page, Miss Virginia Bloomer, Mrs. Paul Penfield, and Mrs. Colin Campbell.

The season's winner, who will be determined tomorrow will have her name engraved on a wheel which is set up in the trophy room of the club house. Mrs. Hitchcock has been the winner for the past two seasons. She will also be the recipient of a silver bowl, donated by Mrs. U. A. Newcomb, Jr.
