BRIGGS, NICHOLS SEND HORSES TO ONWENTSIA

Eight of Detroit's best steeplechase horses are being shipped this week to Onwentsia, Ill., to compete in the annual races of the Illinois club this Saturday. This year, as last, rivalry is intense and the Detroit horses, according to E. S. Walter O. Briggs, owner of Purple Pirate, the fast Man O'War colt, is sending three horses to Chicago this year. Mr. Nichols will be represented by two chasers, Lapeer and Our Boy, while C. H. MRS. HITCHCOCK WINS BOAT RACE

Cat-boat Championship Title Winner Repeats Last Year's Feat

The champion woman cat-boat skipper of Orchard Lake is Mrs. Hugh Hitchcock, of Randall Court. Mrs. Hitchcock won the title Friday for the second consecutive season, after a summer of sailing and six championship races during the first two weeks in September.

As a result of her victory, Mrs. Hitchcock's name will again be engraved on the wheel in the clubhouse trophy room; and she needs only one more victory to come into permanent possession of a silver bowl donated by Mrs. C. A. Holcomb, Jr. Mrs. Frederick S. Strong, Jr., of Orchard Lake, is runner-up. Women will continue their regular Friday afternoon races as long as weather permits.

Inclement weather has unfortunately interfered with men's races on the days for which they were scheduled. Only one of the six championship races have so far taken place. UNIVERSITY WOMEN'S BOOK SALE FOR SCHOLARSHIP FUND, OCT. 13-18

→BY SALLY KNOX←

The third annual book sale, sponsored by the A. A. U. W. for the benefit of the Birmingham Scholarship Fund, will be held this year in the store on the south-east corner of Maple avenue and Pierce street, Oct. 13-18.

This store, the use of which was donated to the Association for the week of the sale by the owners, Dr. Hugo Freund and Joseph Weil, of Walnut Lake and Detroit, will be furnished with easy chairs, lamps, and rugs, and transformed into a cozy reading room for anyone wishing to take advantage of it, according to Mrs. Loren Stauch, publicity chairman. There will be a hostess present each day and evening.

The energies of members of the Association are directed at this time towards collecting books and magazines for the sale. New and old magazines have had a very large sale in the past, many women having purchased the old magazines for use in making lamp shades, fancy baskets, or boxes, Mrs. Stauch said. Children's magazines, which sell for a few cents, make a great appeal to the boys and girls. Subscriptions for magazines will also be taken at this time, as an added feature of the sale.

The chairman of solicitation is Mrs. L. B. Reid, of Chester street, who assisted by a committee, is receiving books of all kinds. "Books and magazines are being given by all interested in promoting scholarship, not by members of the A. A. U. W. alone," Mrs. Reid said; "and all such persons are urged to help by contributing to the sale. This opportunity to provide a very material aid for those seeking an education should be welcomed this year when money gifts are perhaps a little hard to make. Books and magazines will be called for, if those wishing to contribute will get in touch with me by telephone."
