**KERSTEIN'S**  
Home Bakery  
326 E. Maple Ave.

**SCHOOL DAYS**

are especially trying on the eyes, as they are not fully developed. Most eye troubles begin in childhood and should be corrected before serious injury has developed. Many a child, considered dull or lazy in school, has simply been suffering from defective vision. Act in time and prevent years of discomfort and failure in future life.

*Our methods of Eye Examination and the making of Glasses are the most modern known to optical science. No "drops" used!*

**J. H. STOVER, O. D.**
