## MAPLES TOP CRANBROOK

Fast Passing Attack, Stiff Defense Pave Way To 18-12 Victory

Baldwin High School's excellent defense and passing attack paved the way for a victory over Cranbrook's cagers Thursday at Cranbrook.

## GRID STAR CITED ON ALL-STATE EVENING

### Miller, Fighting Baldwin Tackle, Mentioned For All-State Honors

Tom Miller, varsity tackle on the Baldwin High School football team for the past season, was given honorable mention on R. E. Miller, Fighting Baldwin Tackle, Mentioned For All-State Honors

McKee, of Baldwin led both teams in scoring with eight points. Beaudette, Cranbrook center, was a close second with six.

Both teams started slowly and no scores were made in the first five minutes. Hunt drew first blood in the last part of the first quarter and the Maples held the lead from then on.

With the score 17 to 5 at the end of the third quarter, the alert Baldwin team suddenly stopped, and Beaudette began to run wild.

Cochran, Baldwin's star on the football field, Miller has also shown ability in the tank. He placed fourth in the 100-yard breast-stroke event at the state meet last year in his first season of competition, and was elected captain of the team by a considerable majority at the end of the schedule.

Tom will be ineligible this spring for track, in which sport he also has proven himself valuable, because of too many semesters of competition.

Remington's all-star team as selected for the Detroit News last Saturday. But for the fact that Baldwin did not make a very good showing against Class "A" competition, it is the popular opinion that Miller might have placed higher.

Tom began to play football at the beginning of last season, starting at the bottom and performing in the last two games well enough to keep a regular tackle on the bench. He started out this year in a regular tackle berth and missed only about three minutes of play all year.

To land on the bottom of a pile seemed to be his greatest desire. Very few opponents made any ground by trying off-tackle slants through his side of the line, but he always had a hole ready for his own team-mates.

Besties being a star on the football field, Miller has also shown ability in the tank. He placed fourth in the 100-yard breast-stroke event at the state meet last year in his first season of competition, and was elected captain of the team by a considerable majority at the end of the schedule.

Tom will be ineligible this spring for track, in which sport he also has proven himself valuable, because of too many semesters of competition.

## BALDWIN CAGERS MEET ST. MARY'S

### Close Battle Expected In Maple-Gym Tonight; Teams In Good Shape

The Baldwin High cagers will meet the St. Mary's five in the Baldwin gym at 7:35 this evening. Coach Franklin Whitney expects a close, fast game.

The St. Mary's team is as strong as ever and the Maples are in good shape after the Cranbrook game of last Thursday. Whitney has not made any important changes in the lineup, which will probably consist of Cagnever and Bunyan, forwards; Brown, center; Harris and Hunt, guards. There will be no second team game.

## Baldwin Varsity Club Initiates 12

The Baldwin Varsity Club wound up its fall initiation ceremonies last Thursday night in the high school gym. Twelve neophytes went through various tortments concocted by the more experienced members. The pledges were prepared for the final night by a week-long public demonstration in school.

Gerald Anderson, Harry Bradford, Clayton Brelford, John Shepherd, Jack Payton, Bill Hovington, Donald Stewart, Robert Bunyan, Tom Stollberg, Guy Lighty, Fred Cushing and Bob Laughlin were the initiates.

After the ceremony, all went to the Y. M. C. A. building when cocoa and sandwiches were served.

## 3rd Annual Ergasterion Show Is Great Success

### Comic Scenes Keep Audience In Mirth; \$200 Netted For School Charity Fund

The third annual Christmas Show of the Cranbrook School Drama Club presented Friday and Saturday, was a notable success, and it has been decided to continue the production as an annual event. The performance netted over \$200 for the school charity fund.

The play was portrayed by Frank Brennan, with Ralph Getzinger making a remarkably winsome maiden, opposite him. The two were supported by George Finkerton, Charles Hawley, Kirk Alexander and David Gillis.

Comedy sketches were interspersed with the thread of the plot, with Robert Eddy, David Court, Clinton Conger, Walter Haywood, Alfred Block, and "Bennie," the great "What Is It?" keeping the audience in gales of laughter during the evening.

The Varsity Chorus added to the humor of the show. It consisted of seven strapping football men, arrayed in the fetching garb of sirens of the silver screen, and the manner in which they displayed their wiles was truly remarkable.

The performance was most enjoyable student production. The production committee were as follows:

Direction—Mrs. Stevens and Mr. Wonnberger; student director—George H. Kittredge; cast manager—W. W. Talman, assisted by Armstrong; Script—W. W. Talman and Mr. Wonnberger; lyrics and music—Mr. Wonnberger; costumes—Mrs. Stevens and Mr. Wonnberger; technical—Alfred Davok, assisted by Seeley, Walt, Freund and Hulbert; publicity—W. W. Talman; scenery—Mr. and Mrs. Cunningham; program—Richard Harist; properties—Mason Stevens, assisted by Seeley and Burnett.

## SAINT NICHOLAS KNOWS HIS SUNLAMP!

THEY have long winters T up at the North Pole, and Nick isn't taking any chances on missing his ultra-violet. When a man gets south only once a year, something has to be done about it. Trust Santa to pick himself a reliable sunlamp for the acquiring that fashionable tan. He's thinking of also equipping the stables, and to put new life into Blitzen and the rest of the reindeer. Take a leaf out of the book of a man who knows: For invigorating, warm sunshine in midwinter, get yourself a sunlamp. It's much cheaper than going to Florida.
