

"OPEN EVENINGS UNTIL CHRISTMAS"

Birmingham merchants have prepared for your needs as never before, and you can do your gift buying easily, conveniently and most satisfactorily right here in your own village.

Only 7 Shopping Days and Nights yet remain before Christmas

Plan to visit these stores in the evening, if that is more convenient for you and may we suggest that you come this week-end? For in spite of eleventh hour facilities which will ease your task at the last minute, you will be more satisfied if you shop leisurely, now.

The following stores will remain open evenings until Christmas
