Thursday, December 17, 1931

NOTE: The Eccentric is pleased to publish stories of events... Proposed increase in income tax rates, as suggested by Andrew Mellon...

Unfair Income Taxing

Proposed increase in income tax rates, as suggested by Andrew Mellon, work a proportionately too great hardship on the small income...

Truth Will Come

The history of the past reveals that often in the progress of mankind... In its own mysterious way Truth establishes itself...

My Soul Shall Never Die!

Upon this earth of man and clay, Of darkest night and brightest day, Are works of God—each runs its span— Be it a mountain or a man...

"Deadly Researches" Prepare Way For Next War

In the next great war, if that is ever allowed to occur, science will, like some angry outraged deity, go far to destroy mankind itself...

The Other Side

He was a big, bleary-eyed gentleman, riding in a street car. He said: "Yes, sir, there ain't no doubt about it. Rehibition's the best country since '45..."

All of Us

PEOPLE are always writing about Hollywood. Once they wrote about how wicked it was. Now they write about how good it is...

Well, I Had the Same Experience

Well, I had the same experience. I spent a week in Hollywood last year. I saw things, too. I talked to Eddie Cantor, I sat in Mary Pickford's bungalow...

From The Eccentric Columns of Long Ago

FIFTY YEARS AGO Snow storms are coming. Christmas is coming. Snow storms on Sunday. Promiscuous is fashionable at present...

THE SAVING HABIT

The most difficult thing for those people to learn is that saving is always accomplished through self-denial and often through sacrifice. No man, no matter how large his income...

GOING THE LIMIT

Probably never before in the history of Michigan has a governor done the things that Wilber M. Brucker has in order to gain the support of his constituents...

WE HEARD IT SAID BY—

F. Morse Cook, principal author of the new Michigan school system, says that the school system was not the best of the best...

The Other Chap Says Something—

with forty-three thousand officers. We could, with our modern transportation, and newer methods, get along with 150 to 200 units of government.

MICHIGAN'S SENATORS

Senators A. H. Vandenberg says if his plan to liberalize the Federal Reserve act goes through it should become a law in the near future...

DOBBIN UP TO DATE

Ride a cock horse to Willmantic Cross To see how they bring up to date the old horse...

Paralaf's

How? Still, if it weren't for football, how would anybody know that the colleges were open for business?

Jest For the Fun of It

Real Revenge "My pal told the vicar, meeting one of his flock in widow's weeds, 'I had not heard you had again suffered bereavement.'"

NOAH NUMSKULL

NO BURNING THE BURNING DAY BEYOND THE PAY ON

DEAR NOAH—IF GINGER ALES IS IT A CAMPAGNE

DEAR NOAH—HOW LONG DOES IT TAKE A STOLEN PAPER TO MARCH A BAD YEGG?—KAMES, TULSA

The "Big Shots" Say:

Edward A. Filson, business man: "A man is like an egg; if you keep him in hot water too long, he becomes hard boiled." Herbert von Bekerath, professor...

THE OTHER CHAP SAYS SOMETHING—

with forty-three thousand officers. We could, with our modern transportation, and newer methods, get along with 150 to 200 units of government.

PEOPLE'S COLUMN

The Eccentric is pleased to receive communications from its column... THANKS GOODFELLOWS To the Editor: I wish to thank the Goodfellows of Birmingham who came to see us Sunday and brought my family so many new clothes.

OUR SCRAP BOOK

EMINENT DOMAIN It was a lovely marsh, shaped like an oval, containing the diminishing trees of his grave and a margin of heavy shrubbery all around...
