Congressional Aid Sought For Oakland Drain Relief

Township Urges Creation Of Sinking Fund To Re-finance Assessment Districts

A plan whereby Oakland County hopes to receive Federal aid in relieving it of the burden brought by about $5,000,000 of outstanding drain bonds against it was endorsed unanimously by the Bloomfield Township Board at its regular meeting Monday afternoon.

The endorsement was given in the form of passage of a resolution urging adoption of the Glenn-Smith bill now before the United States Congress which provides for the creation of a sinking fund to re-finance such legally constituted drainage districts as are in particularly bad financial conditions.

A similar resolution presented to the Village Commission Monday night was laid on the table for a week to give the members opportunity to study the bill itself.

According to Township Supervisor Perry A. Vaughan who is sponsoring the move in addition, township boards and city and village commissions all over Southern Oakland County will be asked to go on record as favoring the passage of the drainage measure.

The proposition will also be presented to the January session of the Board of Supervisors, Mr Vaughan said, and copies of the resolution as adopted by each of the bodies will be directed to each Michigan member of Congress and other legislators from states which are particularly anxious to secure relief from special assessment drain taxes.

About $19,000,000 would be available for this purpose according to the provisions of the original Glenn-Smith bill, Mr. Vaughan said, but the appropriation may be raised. It could be borrowed at 3½ percent interest.

If Oakland County could secure enough of this appropriation to enable it to spread the Southfield drain assessments over a period of 40 or 50 years it would be well worth while, Mr. Vaughan believes.

TWICE as FAST as the CLICK of a camera

Your camera shutter can open and close in 10-1000ths of a second—faster than your eye can follow. But when you're driving 30 miles per hour your automobile motor allows only 5-1000ths of a second for the gasoline in each cylinder to ignite, burn, and start the piston downward. Think of it! Twice as fast as the click of a camera. And it must burn completely or you'll be troubled with carbon—it must burn evenly and instantly or you lose power.

It takes a *premium* grade gasoline, such as Purol-Ethyl, with surging power *refined into* it, to give you this full-powered, hair-trigger action your motor requires for maximum performance!

Ethyl fluid in Purol-Ethyl utilizes *all* the power of the gasoline by eliminating the "knock". But in Purol-Ethyl, the gasoline itself is packed full of eager energy.

Under a guiding hand, an elephant will pick up a peanut with dexterity or move a ton of teak. Gasoline, also, needs a guiding hand to develop all your motor's power. . . The fluid (Ethyl) gives your combustion a powerful squeeze, "knock" and overheating.

C. B. & C., 1931

It ignites instantly, making quick starting a reality. It burns evenly, eliminating vibration. It burns completely, leaving less carbon, and gives greater mileage because all of it is converted into purring power.

Unleash the full power of your motor—get *out* of the power plant all your manufacturer built into it. Fill up today with Purol-Ethyl and enjoy split-second performance. There *is* a difference.

Purol-ETHYL

Thousands of motorists are finding Purol Pep gasoline antiknock and "better than regular at regular price."

Tidene, the 100% super Pennsylvania Motor Oil is economical because it holds a better lubricating body—costs less per mile.

Early Morning Fire Causes $400 Furniture Loss

Damage of between $300 and $400 was done to furniture and other contents of the home of Joseph Treddler 1588 Cole street, by a fire which broke out early Wednesday morning of last week.

Although the origin of the blaze has not been definitely determined, Chief Vernon Griffith believes it may have been started from a burning cigarette. The flames were confined to the living and dining rooms.

Mr. and Mrs. Treddler were away at the time, and the fire was first discovered by their son, Kenneth Treddler, and a friend who was staying with him at the time.

Local Men Form Law Partnership

Mr. Hill

Mr. Bryant

Two Birmingham men, Edward L. Bryant, 280 Aspen road, and Stuart W. Hill, 1260 Yorkshire road, yesterday announced the formation of a partnership for the general practice of law under the firm name of Bryant and Hill with offices at 2161 Union Guardian Building, Detroit.

Mr. Bryant has been a member of the Michigan Bar since 1921, and has practiced law alone for more than 10 years, during which time he has shared offices with Judges Ernest O'Brien, Vincent M. Brennan and Homer Ferguson, and also with Mayor Frank Murphy.

His partner in the new firm is a graduate of United States Naval Academy and of the Law School of the University of Michigan. He has been engaged in research for Professor Sunderland of Ann Arbor in connection with the Cook Foundation, the $12,000,000 endowment for law buildings and legal research work at the university. More recently he has done research for Justice Henry M. Butzel of the Michigan Supreme Court.
