comprised the Lesson-Sermon was the following from the Bible: "Thus saith the Lord, the Redeemer, the Holy One of Israel, I am the Lord thy God, which teacheth thee to profit, which leadeth thee by the way that thou shalt not go" (Isa. 48: 17).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The starting-point of divine Science is that God, Spirit, is All-in-all, and that there is no other might nor mind,—that God is Love, and therefore He is the divine Principle, to grasp the reality and order of being in His Science, you must begin by recognizing God as the divine Principle of all that really is" (p. 275).
