OAKLAND GRAND JURY RECESSES

The Oakland County Grand Jury, after taking further action Tuesday in the road commission controversy, adjourned until Aug. 24, at which time it will continue its investigation into county road matters.

No statement was made at the conclusion of the session in re-

gard to the jury's recent request for the resignation of the three members of the road commission. Luther D. Allen, Isaac Bond and Herman Hillman.

The resignations were asked last week through I. A. Capizzi and Philip H. Robinson, assistant attorneys general. The commissioners refused to comply, and it is presumed no definite action will be taken until the grand jury convenes again next month.

The club play for a silver loving cup which was won three times by the Exchangeites, and for the first time last year by the Rotarians.
