

ROTARIANS HEAR WAR ADVENTURER

Count Nieszchowski Describes Activities of German Sea-Raider

Birmingham Rotarians Monday night at the Community House were given a firsthand word picture of the activities of a German sea-raider, Kronprinz Wilhelm, during the first year of the World War, in 1914. The narrator was Count Alfred von Nieszchowski, a Polish adventurer who threw in his lot with the Germans during the first stages of the conflict.

Many interesting phases of the event were related by the speaker, who was the guest of Harry Biss, secretary chairman.

Walter L. Connelly, president of the Rotary Club last year, was presented with an oil painting of a landscape by the club in appreciation of his leadership.
