"SHORT" CAUSES BLAZE

A short-circuit in the wiring of a car parked at the corner of Hamilton and Park streets at 1:45 P. M. Tuesday was blamed for a small blaze which caused only slight damage and was extinguished by firemen with chemicals. The owner of the car was B. J. Meisow, 731 South Bates street.

DRUNK DRIVER FINED

General Williamson, 40 years old, of 4203 Wilkash avenue, arrested by Birmingham police early Tuesday morning, paid a fine of \$70 when arraigned before Justice Arthur J. Tuzeev on a charge of driving drunk.

Report from—Bureau of Foreign and Domestic Commerce, Washington, D. C.

"Fortunately, however, there are a few products of nature that, when properly prepared, will largely satisfy this craving for exhilaration or stimulation without inducing intoxication and without injurious effects attendant upon the more powerful drinks above alluded to."

"Among the various harmless stimulants whose effect is really beneficial... there is 'Yerba Mate,' a plant of South American origin from which the aborigines prepared a drink long before Columbus discovered America. This drink is not so well known throughout the world, although it is now the favorite drink of perhaps twenty-five million people in South America."
