

Just A Minute . . .

About Training for Public Service From the Detroit Bureau of Governmental Research "I am not a politician," said Artemus Ward "and my other habits are good."

A Message to Graduates HAND TAILORED SUITS \$30 to \$60 Why buy machine-made clothes, when you can be hand-tailored for the same money.

Democratic Ticket

On an academic foundation and with special study in political science, students are required to take special courses relating to public affairs—taxation, city planning, water supply, sewerage, street sanitation, etc.

WE HEARD IT SAID BY—Miss Carrie Stoddard, police department clerk: "Out of the first 100 applicants for new drivers' licenses only three would admit they had ever been arrested for traffic law violations."

THE triumph of cotton is perhaps the most sensational phase of the new Paris style. There is absolutely no place that cotton cannot be smartly worn.

On an academic foundation and with special study in political science, students are required to take special courses relating to public affairs—taxation, city planning, water supply, sewerage, street sanitation, etc.

Several are officials of the Philippine government and Chinese students now occupy important positions at home.

Paris Says "COTTONS!"
