Baldwin Loses Championship As Records Fall

MAPLES CLOSE TRACK SEASON

Score Four Points In S. E. A. A. Meet As 1931 Finale

Baldwin High School track team ended its 1931 season by competing in the annual Southeastern Athletic Association meet held at Ypsilanti during an all-day rain Saturday. Pontiac won the meet, scoring 47½ points to hand Monroe, state champions, their second defeat over a span of 10 years.

Baldwin scored four points in the tilts, taking a third in the high hurdles and fourth in the broad jump and javelin. Roland Brown registered the third place in the hurdles and Stone the fourth in the broad jump, while Shepherd took the remaining point in the javelin throw.

Due to the dismal weather conditions and the resulting muddy track, no new S. E. A. A. track records were made. Johnson of Pontiac was the outstanding individual performer at the meet, taking firsts in the javelin, discus, and the shot put, and tying for second in the pole vault.

Eleven Baldwin athletes made the trip to Ypsilanti with Coach Franklyn Whitney. All of the point winners in this year's S. E. A. A. have at least one year of high school competition left.

Exactly 70 students of the present 9A grade at Baldwin will be registered in the senior high school next September, according to Mrs. Ethel Waterman, junior high school session room teacher. Diplomas will be presented to the graduating junior high school students.

60 Varsity Letters To Be Awarded To Baldwin High Athletes Tomorrow

Winners In Winter, Spring Sports To Be Honored At Assembly

The awarding of 60 varsity letters to winners in the winter and spring sport activities at Baldwin High School will feature the final all-school assembly program to be held in the school auditorium tomorrow afternoon. Melvin C. Hart, principal at Baldwin, will be the speaker.

Spring athletic awards were voted at a meeting of the board of athletic control Tuesday. Recommendations were made and passed that 16 boys receive letters in track, six in tennis, three for their work as cheer leaders, and three girls for achievements in the girls' athletic association.

The graduating seniors will appear at the assembly for the first time in caps and gowns. Following their entrance, Mr. Hart will deliver a brief resume of the season's activities. Athletic awards and presentation of ribbons for outstanding scholastic work throughout the past school year will complete the program.

Major letters will be awarded to the following boys:

Track—Brown, Stone, Halsey, Shepherd, Canever, Valpey, Owens, Harris, Hunt, Gillespie, H. Breisford, C. Breisford, T. Miller, McKee, Collins and Stewart. Tennis—Brien, Whalen, Mills, Payton, Morrow and Maximoff. Swimming—Hogan, Botting, DaLee, T. Miller, E. Rocheleau, Robertson, Martindale, Gillespie, Etter, McDiarmid, Zimmer and Drumm. Basket-ball—Brown, Hunt, Harris, Chandler, Deer, Dailey, Canever, Shaw and Wheaton. Cheer leaders—Stone, Winborn and Hopper. Monograms will be awarded to others who failed to fulfill requirements for a major letter.

Ruth Pratt, Betty Neal and Nancy Johnson will receive a varsity B for points gained in the girls' athletic association.

Other presentations on the program will include scholastic emblems to approximately 25 honor students; all junior high school athletic awards; and the presentation of a pin to the winner of the girls' all-school tennis tournament. The finals of this tourney will be played tonight between Jean Brooks and Roxane Lambie.

100 TO ENTER HIGH SCHOOL

9A Students At Baldwin, Adams, Slated For Junior Diplomas

More than 100 students at Adams and Baldwin Junior High Schools will be eligible to receive junior high diplomas and to enter the sophomore class at Baldwin High School next semester if they successfully pass their final exams next Monday and Tuesday. Exactly 66 students are on the diploma list at Baldwin, while Adams lists 44 students as probable transfers to Baldwin next semester.

Barnum Junior High School has no graduating class this year, the first of the school's existence. The present 9B's at Barnum will continue their ninth grade work there next semester and be graduated in January, 1932.

The following students are on the tentative junior high school graduating lists:

Baldwin Building	
John W. Atherton	Randall Kidder
Leland Beers	Ian R. Kilzie
Anita Mae Beyer	E. R. LeMesurier
Gordon E. Black	Louella Marshall
Harriet Bredford	Lillian Masters
Roy E. Brown, Jr.	Margaret V. Merz
M. Alice Ball	Artple Meyer
Jack D. Carnahan	Charles Miller, Jr.
Clarence Cassady	John E. Mills

BARNUM WINS JUNIOR MEET

14 Records Fall As Baldwin, Favorite, Drops To Second Place

A total of 14 records were broken last Friday at the third annual village junior high school track meet held at Pierce Field. Barnum School won the boys' meet, scoring a total of 113 1-3 points to nose out Baldwin, the runner-up, by less than nine counters. Adams won the girls' section of the contest, with Baldwin again taking a second and Barnum placing last.

Strength in the field events in the heavyweight division of the boys' meet and all-around ability in the lightweight sector gave Barnum School the verdict. Pre-meet dope had given Baldwin the edge in the meet on the basis of past performances and the strength of its running stars. For the first time in three years Baldwin lost the championship cup and thus dropped the opportunity for permanent possession.

Max Hodge of Baldwin was the high point man of the meet, taking firsts in the broad jump and in the 75-yard dash of the lightweight division. Irving Jones, Barnum's lanky star, took a first in the high jump and tied for first in the pole vault to score nine points and lead the heavyweight class in individual points. Gravlin, Baldwin's sprint flash set a new time in the century when he ran it in 11.2, an exceptionally fast time for junior high school. Schwarze was the only record breaker from Adams, stepping to a new time of 13.2 in the 100-yard low hurdles.

The following records were set in the meet:

Heavyweight

Pole Vault—Reese, Baldwin, and Jones, Barnum; Height: 8 ft. 3 in.

100-yard low hurdles — Schwarze, Adams; Time: 13.2.

100-yard dash—Gravlin, Baldwin; Time: 11.2.

75-yard dash — Donaldson, Adams; Time: 8.6.

Discus—R. Barber, Barnum; Distance: 106 ft. 9½ in.

Shot put—DeBeaubien, Adams; Distance 40 ft. 7 in.

200-yard shuttle relay—Baldwin; Time: 28.1.

440-yard shuttle relay—Baldwin; Time: 54.1.

Lightweight

60-yard low hurdles—Conley, Barnum; Time: 9.5.

Pole vault—Mills, Baldwin; Height: 7 ft. 3 in.

Discus—Guckelberg, Barnum; Distance: 71 ft. 8 in.

50-yard dash—Bell, Barnum and Wayman, Adams; Time 7 flat.

200-yard shuttle relay—Barnum; Time: 28.8.

300-yard shuttle relay—Barnum; Time: 42.7.

22 Barnum Students To Get Athletic Awards At Final School Assembly

Major and minor athletic awards will be given to Barnum Junior High School letter winners tomorrow afternoon at the final school assembly in the auditorium.

The spring activity awards were voted at a meeting of the athletic board of control Monday, when 21 boys and one girl were chosen to receive major awards for work in some spring extra-curricular activity. Major awards won by students during last fall and winter sport seasons will also be presented. Each winner of a major letter or letters will receive a certificate denoting excellence in that sport.

The following boys will receive major awards for participation on spring athletic teams:

Track—R. Barber, W. Barber, Barr, Bell, Birchrong, Conley, Gowans, Guckelberg, McMonagle, Meyer, Jones, Pierce, Phillips, Webb, and Thompson. Tennis—Gibbons, Mix, Edmunds, Corns and Root. Twelve boys will receive minor awards for track and 22 will be given minor awards for baseball.

Helen McBride is the only girl in line to receive a major award, while 26 others will receive minor awards for participation on baseball teams or the tennis squad. Seven boys who were on the Barnum archery team or won points in the recent model airplane contest will also receive minor letters. The Barnum School cheer leaders, Bill Gall, Helen Campbell and Christine Van de Water, will be given minor awards. Scholastic recognition will be made by the Barnum Junior High School student council.

Following the assembly Friday the athletic board of control will sponsor a party for all letter winners or carriers of scholastic awards during the year. The party will be held in the school auditorium.

The program for the party is in charge of Dean Beier and Leila Teeple. Faculty chaperons will be E. T. Engel, Miriam Brown and Mrs. Edith Roach Coryell.

Club Nets $200 In Carnival; Plans Bob-Lo Excursion

With the first annual Birmingham Washington Group Carnival successfully ended, members of the club are turning their attention to the annual excursion to Bob-lo Island Park this Saturday. Ticket sales are being rushed by all group members. Betty Shave is in charge of the sales.

William Maywood, senior advisor of the group, is directing the Bob-lo excursion activities. Boats will leave the Detroit pier twice Saturday morning and twice in the afternoon. Special transportation to Detroit is being provided for Birmingham excursionists.

The group realized approximately $200 from the carnival project, according to W. S. Toothacker, director of the club. The show was held on Friday and Monday evenings, inclement weather postponing the exhibit on Saturday.

Ferris-Wheel Popular

More than 50 of the 70 members enrolled in the Washington group earned money to defray their expenses to the capital city by operating some sort of concession stand or working at the carnival. The general show offered on both evenings attracted large crowds.

The ferris-wheel proved to be the most popular part of the actual carnival equipment, it being crowded at all times during the two nights. The Maroon and White school paper, the alumni association, and the high school band each had an especially good exhibit, and were more popularly supported at the carnival than others.

Harold Stevens and Dick Coons proved adept in vocal exhibitions when their voices attracted large crowds to the general show. This division of the carnival featured group dancing, novelty musical features and an exhibition by Clarence Cummings, youthful Baldwin magician.

Next One In Fall?

Roland Brown and Dale McClelland were particularly active in the group, supervising the construction of the booths and other school sponsored concessions. Dorothy Schwarze was chairman of the candy committee, Jean Deer was in charge of the hot-dog stand, Jane Fowler was chairman of the general refreshment committee and Richard Gibbons had charge of the archery gallery.

There is a possibility that the next Washington carnival will be held in the fall of this year instead of in the spring of 1932. This, according to Mr. Toothacker, would be better inasmuch as more carnival equipment can be secured in the fall than at this season of the year. The Washington Group advisors who aided Mr. Toothacker in successfully completing this first big project of the newly formed association are William Maywood and Freda Huggett.

Honor Students At Baldwin Listed For Last 5-Week Period

The honor roll for the last five-week period at Baldwin High School was released this week by Charlotte Wood, librarian. The following students are named:

Ninth grade—J. Atherton, E. Colvin, W. Hay, M. Hodge, W. Hossick, B. Hutchinson, R. Luscombe, V. Merz, L. Otterman, R. Savage and B. Wilson.

INSIST on the INSIDE FACTS

For Your Protection Make These Comparisons Before You Buy Your Tires

UNDERNEATH the surface is where you get the cold truth about tire values. It's the *inside of the tire*—the *method of construction* and the *quality and quantity of materials*—that determines its Stamina, Performance, Safety, VALUE. You can no more tell the quality of a tire by its outside appearance than you can tell the character of a man by the kind of clothes he wears.

We have arranged to show you cross sections of Firestone and special brand mail order tires. You can come here and make your own comparisons, uninfluenced by any sales propaganda. We urge you to thoroughly check every vital point — *rubber volume, weight, width, thickness,* and *plies under the tread.* Then buy accordingly—ON FACTS AND FACTS ALONE. Against the various claims presented about different tires, isn't this the most logical suggestion ever made to you? Could there be any more positive way to definitely determine which tires offer you the most for your money? *There can be no question or controversy* when you get the FACTS yourself.

MOST MILES *per* DOLLAR

COMPARE THESE PRICES

AUTOMOBILE Manufacturers do not take chances with special brand tires. Why should you take the risk when you can save money by buying Firestone quality Oldfield type (cord on and in addition get our service.

We list below the leading replacement sizes.
